1	1	Q3B Which of the following have you done in the last week? Please select all that apply.
2	2	Q3A. Which of the following best describes your response to coronavirus?
3	3	Q4 Which of the following are you doing to cope with mandated social distancing? Please select all that apply.
4	4	Q5 Governors around the country have told residents to stay indoors and ordered non-essential businesses to keep their workers home. If this was also the case where you live, would you leave your home to go to/do any of the following? Summary Of Would Go Out For
5	5	Q5 Governors around the country have told residents to stay indoors and ordered non-essential businesses to keep their workers home. If this was also the case where you live, would you leave your home to go to/do any of the following? Summary Of Would Not Go Out For
6	6	Q6 What are you more likely to do?
7	7	Q7 What are you more likely to do?
8	8	Q8 Would you obey the following mandated restrictions? Summary Of Would Follow Restriction
9	9	Q8 Would you obey the following mandated restrictions? Summary Of Would Not Follow Restriction
10	10	Q13 How has the coronavirus outbreak impacted your work life? Please select all that apply.
11	11	Q14 What actions and/or policies has your employer instituted to address the coronavirus outbreak (COVID-19)? Please select all that apply.
12	12	EMP02 How concerned are you that you may lose your job due to the coronavirus outbreak?
13	13	Q9 Do you think your income in 2020 will be lower, higher or about the same as it was in 2019?
14	14	STI01 Congress recently passed a \$2 trillion economic stimulus bill and President Trump has signed it in to law. For each of the parts of the bill do you think it is too much, not enough, or just the right amount of support? Summary Of Too Much
15	15	STI01 Congress recently passed a \$2 trillion economic stimulus bill and President Trump has signed it in to law. For each of the parts of the bill do you think it is too much, not enough, or just the right amount of support? Summary Of Not Enough
16	16	STI01 Congress recently passed a \$2 trillion economic stimulus bill and President Trump has signed it in to law. For each of the parts of the bill do you think it is too much, not enough, or just the right amount of support? Summary Of Just Right
17	17	STI01_1 Congress recently passed a \$2 trillion economic stimulus bill and President Trump has signed it in to law. For each of the parts of the bill do you think it is too much, not enough, or just the right amount of support? Up to \$1200 for individuals and \$2400 for families
18	18	STI01_2 Congress recently passed a \$2 trillion economic stimulus bill and President Trump has signed it in to law. For each of the parts of the bill do you think it is too much, not enough, or just the right amount of support? \$100 billion grant for hospitals
19	19	STI01_3 Congress recently passed a \$2 trillion economic stimulus bill and President Trump has signed it in to law. For each of the parts of the bill do you think it is too much, not enough, or just the right amount of support? An additional \$600 per week of unemployment benefits up to 4 months
20	20	STI01_4 Congress recently passed a \$2 trillion economic stimulus bill and President Trump has signed it in to law. For each of the parts of the bill do you think it is too much, not enough, or just the right amount of support? \$500 billion in loans to struggling industries
21	21	STI01_5 Congress recently passed a \$2 trillion economic stimulus bill and President Trump has signed it in to law. For each of the parts of the bill do you think it is too much, not enough, or just the right amount of support? \$29 billion grant and an additional \$29 billion loan for airlines
22	22	STI01_6 Congress recently passed a \$2 trillion economic stimulus bill and President Trump has signed it in to law. For each of the parts of the bill do you think it is too much, not enough, or just the right amount of support? A refund for businesses that continue to pay idle workers (up to \$5,000 per employee)
23	23	STI01_7 Congress recently passed a \$2 trillion economic stimulus bill and President Trump has signed it in to law. For each of the parts of the bill do you think it is too much, not enough, or just the right amount of support? \$150 billion for state and local governments
24	24	STI02 How much do you support or oppose the stimulus bill that congress passed?
25	25	STI03 Do you expect that you will qualify to receive money from the stimulus bill?
26	26	STI04 Which of the following do you plan to do with the money you receive from the stimulus bill? Please select all that apply.
27	27	STI05 Do you think the economic stimulus will shorten the time it takes for the US economy to recover?
28	28	STI06 Which comes closer to your opinion?
29	29	STI07 Do you believe states are being forced to compete against each other to acquire limited resources (e.g., ventilators, COVID-19 test kits, PPE)?
30	30	STI08 President Trump has proposed reopening businesses by Easter (April 12th). Do you think businesses should reopen later, sooner or is that the right day?
31	31	REV01 Are you planning any major purchases once things return to normal and businesses re-open? Please select all that apply.
32	32	REV02 Once things return to normal and businesses reopen, would do any of the following to prepare for something like this in the future? Please select all that apply.
33	33	Q16 Do you think you are going to get coronavirus (COVID-19)?

Page	Table	Title
34	34	Q17 Which of the following are true for you regarding coronavirus (COVID-19)?
35	35	Q18 Which of the following is true for you?
36	36	Q20 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? Summary Of At Least A Little
37	37	Q20_1 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? Coronavirus being my first time experiencing a pandemic like this
38	38	Q20_2 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? Afraid of losing my loved ones
39	39	Q20_3 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? Afraid of accidentally spreading the virus to vulnerable people even if I'm not experiencing symptoms
40	40	Q20_4 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? Constant stream of social media posts about people's reactions to the outbreak (e.g., stocking up, self-quarantining, empty shelves)
41	41	Q20_5 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? News and images of people fighting over products at the grocery store
42	42	Q20_6 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? Drastic headlines about how society is changing (e.g., national guard in New Rochelle, NBA being cancel)
43	43	Q20_7 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? Learning that celebrities and politicians are testing positive
44	44	Q20_8 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? Communication from the government
45	45	Q20_9 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? Communication from the CDC
46	46	Q20_10 How much do each of the following aspects contribute to your level of fear and concern regarding coronavirus (COVID-19)? Trying to keep up with all the safety recommendations
47	47	Q21 Which of the following is closest to your view of people's reaction to the coronavirus (COVID-19) outbreak?
48	48	Q12 Do you have a positive or negative view when people use Personal Protective Equipment (gloves, face-masks, goggles, etc.) in public spaces?
49	49	Q13 Which of the following best describes why you view it negatively when people use personal protective equipment (e.g., gloves, face-masks, goggles) in public spaces? Please select all that apply.
50	50	Q14 How much do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Agree
51	51	Q14 How much do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Disagree
52	52	Q14_1 How much do you agree or disagree with each of the following? Americans have a responsibility to each other to perform social distancing to limit the spread of COVID-19.
53	53	Q14_2 How much do you agree or disagree with each of the following? Americans have a responsibility to each other to take preventative measures (e.g., self-quarantining, washing hands frequently) to limit the spread of COVID-19.
54	54	Q14_3 How much do you agree or disagree with each of the following? Americans who do not socially distance themselves from others are putting others at risk.
55	55	Q14_4 How much do you agree or disagree with each of the following? Americans who refuse to follow CDC/Local Public Health guidelines are putting others at risk.
56	56	Q14_5 How much do you agree or disagree with each of the following? The most patriotic thing we as Americans can do for our country right now, is to make a national sacrifice to stay home for the welfare of others.
57	57	Q15 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Summary Of Willing To Do
58	58	Q15 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Summary Of Not Willing To Do
59	59	Q15_1 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Quarantine indoors
60	60	Q15_2 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Stop hoarding items (e.g., toilet paper, cleaning products)
61	61	Q15_3 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Be put on a rations program for certain goods
62	62	Q15_4 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Stop all travel domestically
63	63	Q15_5 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Donate my portion of the stimulus package to a hospital
