PA01_1 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following?
 Small businesses have been communicating more transparently since the pandemic began.

PA02_15 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following?

At this point, I expect large companies to have more information about how they are adjusting to the pandemic than they currently seem to.

Page Table Title

1	1	Q15 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Summary Of Willing To Do
2	2	Q15 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Summary Of Not Willing To Do
3	3	Q15_1 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Quarantine indoors
4	4	Q15_2 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Stop hoarding items (e.g., toilet paper, cleaning products)
5	5	Q15_3 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Be put on a rations program for certain goods
6	6	Q15_4 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Stop all travel domestically
7	7	Q15_5 Which of the following sacrifices would you be willing to make, in order to help America through the coronavirus outbreak? Donate my portion of the stimulus package to a hospital
8	8	Q8 Would you obey the following mandated restrictions? Summary Of Would Follow Restriction
9	9	Q8 Would you obey the following mandated restrictions? Summary Of Would Not Follow Restriction
10	10	Q8_1 Would you obey the following mandated restrictions? Non-essential workers to stay home
11	11	Q8_2 Would you obey the following mandated restrictions? No international travel
12	12	Q8_3 Would you obey the following mandated restrictions? Convening with groups no larger than 10 people
13	13	Q8_4 Would you obey the following mandated restrictions? Staying 6 feet apart from others at all times
14	14	Q8_5 Would you obey the following mandated restrictions? No dining in bars and restaurants
15	15	COV02 How much do you support or oppose your state's approach to re-opening?
16	16	COV03 How effective do you think the lockdowns (e.g., closing of non-essential business and stay-home orders) were in your area?
17	17	COV04 How concerned are you of a new wave of COVID-19 outbreak in your area?
18	18	COV05 If there was a surge of cases of COVID-19 in your state, would you support or oppose another lock down/a lock down?
19	19	LD01 Which of the following describes why you support state-wide lock downs (e.g., stay-home orders, closure of non-essential business) if there was a surge of cases of COVID-19 in your state? Please select all that apply.
20	20	LD02 Which of the following describes why you do not support state-wide lock downs (e.g., stay-home orders, closure of non-essential business) if there was a surge of cases of COVID-19 in your state? Please select all that apply.
21	21	LD03 Which of the following do you think are the biggest drivers for the resurgence of COVID-19 cases in your state? Please select all that apply.
23	22	LD04 How much do you support or oppose states enacting mandatory 14-day quarantines for out-of-state travelers coming from states with a high resurgence of COVID-19 cases?
24	23	JUL01 Generally speaking, how important would you say The Fourth of July is to you, your family and community?
25	24	JUL02A Why would you say The Fourth of July is important to you? Please select all that apply.
26	25	JUL02 Are you planning on attending or hosting a social gathering for Fourth of July this year?
27	26	JUL03 How many people will be at the social gathering you are planning on attending/hosting for Fourth of July this year?
28	27	JUL05 Which of the following COVID-19 safety protocols will you be taking while attending/hosting a social gathering for Fourth of July this year? Please select all that apply.
29	28	JUL07 Which of the following describes your plans for Fourth of July this year? Please select all that apply.
30	29	JUL09 How excited are you about the Fourth of July this year?
31	30	JUL10 Why would you say you are excited for the Fourth of July this year? Please select all that apply.
32	31	JUL11 How safe do you feel celebrating the Fourth of July this year?
33	32	JUL08 "Life, liberty and pursuit of happiness" is a key phrase in the Declaration of Independence. How much do you agree or disagree that this spirit is alive today?
34	33	SP02 Which of the following sports have you watched on TV in the past 12 months? Please select all that apply.
35	34	BAS01 As you may already know, Major League Baseball (MLB) recently announced its plan to return for a shortened 60-game regular season beginning on or around July 23. How excited are you for the abbreviated season?
36	35	BAS02 Which of the following statements comes closest to your point of view?

Page	Table	Title
37	36	BAS03 After the COVID-19 pandemic ends and things return to normal, do you think Major League Baseball (MLB) should stay with a shorter season or return to the 162-game regular season?
38	37	BAS04 Do you think the designated hitter position should be used in both the National and American Leagues of the MLB?
39	38	CR01 Recently, companies have begun airing ads signaling a return to business (e.g., 'we're back' ads) do you believe it is too soon, too late or just the right time to start airing those ads?
40	39	PA01 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Agree
41	40	PA01 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Disagree
42	41	PA01_1 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? Small businesses have been communicating more transparently since the pandemic began.
43	42	PA01_2 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? It's fine for a small business to let people know they don't have all the answers on how to respond to the pandemic.
44	43	PA01_3 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? From what I can tell, small businesses are doing the best they can to respond to the pandemic.
45	44	PA01_4 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? I think it's best to hear directly from small business owners rather than other employees.
46	45	PA01_5 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? I personally feel it's more important than ever that small businesses are successful in the future.
47	46	PA01_6 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? At this point, I expect small businesses to have more information about how they are adjusting to the pandemic than they currently seem to.
48	47	PA01_7 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? The pandemic has helped everyone see how much companies care about their community, and when it comes to small business I like what I have seen.
49	48	PA01_8 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? Given the pandemic, it is reasonable if a small business doesn't have all the answers to how they are responding.
50	49	PA01_9 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? Many small businesses are trying to do what's right for employees and customers now, but they're just not used to it.
51	50	PA02 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Agree
52	51	PA02 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Disagree
53	52	PA02_10 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? Large companies have been communicating more transparently since the pandemic began.
54	53	PA02_11 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? It's fine for a large company to let people know they don't have all the answers on how to respond to the pandemic.
55	54	PA02_12 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? From what I can tell, large companies are doing the best they can to respond to the pandemic.
56	55	PA02_13 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? I think it's best to hear directly from the CEO of a large company rather than other employees.
57	56	PA02_14 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? I personally feel it's more important than ever that large companies are successful in the future.
58	57	PA02_15 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? At this point, I expect large companies to have more information about how they are adjusting to the pandemic than they currently seem to.
59	58	PA02_16 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? The pandemic has helped everyone see how much companies care about their community, and when it comes to large companies I like what I have seen.
60	59	PA02_17 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? Given the pandemic, it is reasonable if a large company doesn't have all the answers to how they are responding.

Page	Table	Title
61	60	PA02_18 The COVID-19 pandemic has upended how companies are doing business and there is a fair amount of uncertainty about the future. Considering this, to what extent do you agree or disagree with each of the following? Many large companies are trying to do what's right for employees and customers now, but they're just not used to it.
62	61	PA04 As economies reopen and people return to work following lockdowns, how can companies best assure employees that their company is operating safely? Please select two.
63	62	PA05 Which of the following statements comes closer to your point of view?
64	63	Q3A Which of the following best describes your response to coronavirus?
65	64	EMP02 How concerned are you that you may lose your job due to the coronavirus outbreak?
66	65	Q9 Do you think your income in 2020 will be lower, higher or about the same as it was in 2019?
67	66	CR02 Has your business/company (i.e., the company/business you work for) begun signaling they're going to reopen?
68	67	CR03 Which of the following do you believe makes a company patriotic? Please select all that apply.
69	68	CR04 Which of the following are among the most important to you in determining whether you will purchase a product from a specific company? Please select all that apply.
70	69	PA03 To what extent do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Agree
72	70	PA03 To what extent do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Disagree
74	71	PA03_1 To what extent do you agree or disagree with each of the following? I can't get to meaningfully know new co-workers when I only interact with them through phone calls or web meetings.
75	72	PA03_2 To what extent do you agree or disagree with each of the following? I feel less connected to my team at work since remote-working rules have been put in place.
76	73	PA03_3 To what extent do you agree or disagree with each of the following? There's no way anyone who is trained on a new job remotely is going to perform as well as someone who learned the ropes face to face with co-workers.
77	74	PA03_4 To what extent do you agree or disagree with each of the following? I have reached out to people I work with to see how they and their family are holding up during the pandemic.
78	75	PA03_5 To what extent do you agree or disagree with each of the following? When the pandemic started my company had a "we're all in this together" feeling, but I feel that lessening as this drags on.
79	76	PA03_6 To what extent do you agree or disagree with each of the following? It would be very difficult to train someone for a job such as mine without being physically together, online discussions just aren't the same.
80	77	PA03_7 To what extent do you agree or disagree with each of the following? I worry that new employees that start during the pandemic are at a disadvantage when it comes to understanding their jobs and co-workers.
81	78	PA03_8 To what extent do you agree or disagree with each of the following? Overall, the habits being developed while working temporarily from home will be counter-productive when working back at the office.
82	79	PA03_9 To what extent do you agree or disagree with each of the following? When it comes to our company's culture, I worry that things will be different when we are physically working together again.
83	80	EMP05 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Summary Of Yes
84	81	EMP05_1 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Missed (or will soon miss) a rent/mortgage payment
85	82	EMP05_2 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Missed (or will soon miss) a bill payment
86	83	EMP05_3 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Provided financial support for a family member
87	84	EMP05_4 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Provided financial support for a friend
88	85	EMP05_5 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Sought out new or additional sources of income
89	86	EMP05_6 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Lost income partially
90	87	EMP05_7 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Lost income entirely
91	88	EMP05_8 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Accumulated more debt than normal
92	89	EMP05_9 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Stopped or cut back on retirement savings
93	90	EMP05_10 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Stopped or cut back on other savings (e.g., college tuition, a major purchase, such as a house or care)
94	91	EMP05_11 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Paid for services that I haven't used (e.g., a dog walker, childcare, a house cleaning service)
95	92	EMP05_12 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? I have been impacted financially in some other way
96	93	EMP05_13 As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? I have not been impacted financially
