Fielding Period: March 14 - October 31, 2020

COVID-19

Weighted To The U.S. General Adult Population - Propensity

Page Table Title

108	106	Q22 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Summary Of Not At All / Not Very Concerned
109	107	Q22_1 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Surgical masks and gloves
110	108	Q22_2 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Testing kits for COVID-19
111	109	Q22_3 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Hospital beds (room for patients)
112	110	Q22_4 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Hospital ventilators (for assisted breathing)
113	111	Q22_5 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Healthcare workers (doctors, nurses, supporting staff)
114	112	FR11 How concerned are you about you or your loved one's risk of being exposed to coronavirus when you leave your home for essential errands during stay-home orders?
115	113	FR12 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Summary Of Very/Somewhat Concerned
116	114	FR12 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Summary Of Not At All/Not Very Concerned
117	115	FR12_1 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Leaving my home to go to non-essential businesses (e.g., bars, hair dressers, etc.)
118	116	FR12_2 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Returning to my normal activities in public (e.g., public transit, socializing)
119	117	FR12_3 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Taking my first flight
120	118	FR12_4 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? My kids going back to school for the first time
121	119	FR12_5 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Going back to the office
122	120	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following?
123	121	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Summary Of Immediately/1-30 Days
124	122	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Summary Of Up To 3 Months
125	123	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Summary Of 1 Day To 3 Months
126	124	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Summary Of Up To 6 Months
127	125	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Summary Of Year Or Longer
128	126	Q33B_1 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Fly on a plane
129	127	Q33B_2 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go to a gym class
130	128	Q33B_3 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Take a cruise
131	129	Q33B_4 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go out to dinner

Page Table Title

1	1	ER04 How likely are you to vote in the 2020 presidential election?
2	2	ER01 Who do you think is more likely to win the 2020 presidential election?
3	3	ER02 Which of the following states do you believe will be red this election (i.e., the state's voters voted predominantly Republican)? Please select all that apply.
5	4	ER03 Which of the following states do you believe will be blue this election (i.e., the state's voters voted predominantly Democratic)? Please select all that apply.
7	5	RCP01 Which of the following type(s) of items have you purchased in the past 6 months that you now regret purchasing? Please select all that apply.
8	6	RCP01 Which of the following type(s) of items have you purchased in the past 6 months that you now regret purchasing? Please select all that apply.
9	7	RCP02 Which of the following type(s) of items do you wish you had purchased in the past 6 months? Please select all that apply.
10	8	STAT10 How serious a public health threat do you feel COVID-19 poses?
11	9	STAT11 How much do you believe getting the COVID-19 vaccine, once its available, will decrease your risk of getting COVID-19?
12	10	STAT12 How likely are you to get the COVID-19 vaccine, once available, based on it reducing your risk of getting COVID-19, by the following degrees? Summary Of Very/Somewhat Likely
13	11	STAT12 How likely are you to get the COVID-19 vaccine, once available, based on it reducing your risk of getting COVID-19, by the following degrees? Summary Of Not At All/Not Very Likely
14	12	STAT12_1 How likely are you to get the COVID-19 vaccine, once available, based on it reducing your risk of getting COVID-19, by the following degrees? Will decrease my risk of getting COVID-19 by less than 25%
15	13	STAT12_2 How likely are you to get the COVID-19 vaccine, once available, based on it reducing your risk of getting COVID-19, by the following degrees? Will decrease my risk of getting COVID-19 by about 50%
16	14	STAT12_3 How likely are you to get the COVID-19 vaccine, once available, based on it reducing your risk of getting COVID-19, by the following degrees? Will decrease my risk of getting COVID-19 by about 75%
17	15	STAT12_4 How likely are you to get the COVID-19 vaccine, once available, based on it reducing your risk of getting COVID-19, by the following degrees? Will decrease my risk of getting COVID-19 by over 90%
18	16	STAT14 Have you or someone you know experienced any of the following due to COVID-19? Summary Of Yes
19	17	STAT14 Have you or someone you know experienced any of the following due to COVID-19? Summary Of No
20	18	STAT14_1 Have you or someone you know experienced any of the following due to COVID-19? I have personally had COVID-19
21	19	STAT14_2 Have you or someone you know experienced any of the following due to COVID-19? Someone in my household had COVID-19
22	20	STAT14_3 Have you or someone you know experienced any of the following due to COVID-19? A close friend, family member, or loved one outside my household had COVID-19
23	21	STAT14_4 Have you or someone you know experienced any of the following due to COVID-19? I was hospitalized due to COVID-19
24	22	STAT14_5 Have you or someone you know experienced any of the following due to COVID-19? A close friend, family member, or loved one was hospitalized due to COVID-19
25	23	STAT14_6 Have you or someone you know experienced any of the following due to COVID-19? A close friend, family member, or loved one passed away due to COVID-19
26	24	STAT14_7 Have you or someone you know experienced any of the following due to COVID-19? An acquaintance or someone else I know (e.g., colleague/classmate, friend of a friend) had COVID-19
27	25	STAT14_8 Have you or someone you know experienced any of the following due to COVID-19? An acquaintance or someone else I know (e.g., colleague/classmate, friend of a friend) was hospitalized due to COVID-19
28	26	STAT14_9 Have you or someone you know experienced any of the following due to COVID-19? An acquaintance or someone else I know (e.g., colleague/classmate, friend of a friend) passed away due to COVID-19
29	27	STAT15 Based on your experience with COVID-19, as you indicated in the last question, are you more or less likely to do the following? Summary Of Much/Somewhat More Likely
30	28	STAT15 Based on your experience with COVID-19, as you indicated in the last question, are you more or less likely to do the following? Summary Of Much/Somewhat Less Likely
31	29	STAT15_1 Based on your experience with COVID-19, as you indicated in the last question, are you more or less likely to do the following? Wear a mask
32	30	STAT15_2 Based on your experience with COVID-19, as you indicated in the last question, are you more or less likely to do the following? Practice social distancing (e.g. stay 6 feet apart from others)
33	31	STAT15_3 Based on your experience with COVID-19, as you indicated in the last question, are you more or less likely to do the following? Meet in-person with friends or family
34	32	STAT15_4 Based on your experience with COVID-19, as you indicated in the last question, are you more or less likely to do the following? Attend a large group event
35	33	STAT15_5 Based on your experience with COVID-19, as you indicated in the last question, are you more or less likely to do the following? Vote in the upcoming election
36	34	STAT15_6 Based on your experience with COVID-19, as you indicated in the last question, are you more or less likely to do the following? Get the coronavirus vaccine once it is available
37	35	STAT15_7 Based on your experience with COVID-19, as you indicated in the last question, are you more or less likely to do the following? Get a flu shot
