53	183	FR05_9 How much would you say you miss each of the following during this time of virus-related restrictions? Going to church
54	184	FR05_10 How much would you say you miss each of the following during this time of virus-related restrictions? Going to school or university
55	185	FR05_13 How much would you say you miss each of the following during this time of virus-related restrictions? Going to the gym/work out class
56	186	FR05_14 How much would you say you miss each of the following during this time of virus-related restrictions? Going to a social gathering
57	187	FR05_15 How much would you say you miss each of the following during this time of virus-related restrictions? Going to my local coffee shop
58	188	FR05_16 How much would you say you miss each of the following during this time of virus-related restrictions? In person celebrations (e.g., birthdays, graduations)
59	189	COV04 How concerned are you of a new wave of COVID-19 outbreak in your area?
60	190	Q22 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Summary Of Concerned
61	191	Q22 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Summary Of Not At All / Not Very Concerned
62	192	Q22_1 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Surgical masks and gloves
63	193	Q22_2 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Testing kits for COVID-19
64	194	Q22_3 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Hospital beds (room for patients)
65	195	Q22_4 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Hospital ventilators (for assisted breathing)
66	196	Q22_5 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Healthcare workers (doctors, nurses, supporting staff)
67	197	FR11 How concerned are you about you or your loved one's risk of being exposed to coronavirus when you leave your home for essential errands during stay-home orders?
68	198	FR12 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Summary Of Very/Somewhat Concerned

69	199	FR12 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Summary Of Not At All/Not Very Concerned
70	200	FR12_1 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Leaving my home to go to non-essential businesses (e.g., bars, hair dressers, etc.)
71	201	FR12_2 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Returning to my normal activities in public (e.g., public transit, socializing)
72	202	FR12_3 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Taking my first flight
73	203	FR12_4 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? My kids going back to school for the first time
74	204	FR12_5 How concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Going back to the office
75	206	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Summary Of Immediately/1-30 Days
76	207	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Summary Of Up To 3 Months
77	208	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Summary Of 1 Day To 3 Months
78	209	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Summary Of Up To 6 Months
79	210	Q33B Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Summary Of Year Or Longer
80	211	Q33B_1 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Fly on a plane
81	212	Q33B_2 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go to a gym class
82	213	Q33B_3 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Take a cruise
83	214	Q33B_4 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go out to dinner
84	215	Q33B_5 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Visit a casino
85	216	Q33B_6 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Stay in a hotel
86	217	Q33B_7 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go to the office
87	218	Q33B_8 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go to a sporting event
88	219	Q33B_9 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go to the movies
89	220	Q33B_10 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Host/attend a large social gathering
90	221	Q33B_11 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Take public transportation (e.g., subway, busses, trains)
91	222	Q33B_12 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Greet people with a handshake
92	241	Q36 How likely do you think it is that coronavirus (COVID-19) will cause a global recession?
93	242	Q36A Would you say we are in a global recession due to the coronavirus outbreak?

<u>Page</u>	<u>Table</u>	<u>Title</u>
94	243	LI01 Which do you think will have a bigger effect on the life of you and your family?
95	244	LI02 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Summary Of Mostly The Same
96	245	LI02 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Summary Of Somewhat Different
97	246	LI02 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Summary Of Very Different
98	247	LI02_1 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Shopping habits
99	248	LI02_2 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Eating habits
100	249	LI02_3 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Social activity
101	250	LI02_4 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Travel/vacation
102	251	LI02_5 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Work life
103	252	LI02_6 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Family life
104	253	LI02_7 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Personal hygiene
105	254	LI02_8 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Healthcare
106	255	LI02_9 Once the pandemic is over and things return to normal, do you think each of the following areas of your life will be very different, somewhat different or mostly the same? Health insurance

CHP01 Once the pandemic is over and things return to normal, how much more or less willing
 will you be to do each of the following compared to before the pandemic?
 Summary Of Much/Somewhat More Willing

Base: All Respondents

STAT305 As you may know, earlier this year President Trump withdrew the U.S.'s membership in the World Health Organization and redirected funding elsewhere due to their response to the COVID-19 pandemic. President-Elect Biden has said he would reengage with and fund the World Health Organization. Do you agree or disagree with Biden's decision?

COVID-19

Weighted To The U.S. General Adult Population - Propensity

Page Table Title

268	268	CES4 Since the COVID-19 pandemic, did you create a "pandemic pod" or "COVID bubble", which is a select few friends or family members you socialize with mask-free in which everyone in the group agrees to the rule that no one can socialize in-person with anyone outside the bubble, especially without face masks,?
269	269	CES5 Thinking about the time you spend with people in your "COVID bubble" (i.e., specific people you saw in person during the pandemic/or people you sheltered in place with), which of the following activities are you doing or have tried to do together? Please select all that apply.
270	270	CES6 Do you feel the way life has changed since COVID-19 has created more access and representation, meaning people's voices and concerns being heard and reflected in national decisions (e.g., through things like mail-in voting, social media bringing awareness of social issues)?
271	271	CES7 What ,if any, long term good do you think will come out of the COVID-19 pandemic? Please select all that apply.
272	272	CES8 Thinking ahead to next summer, do you think you will be taking a vacation in summer 2021, or will you wait until fall 2021?
273	273	CES9 Generally speaking, what is your ideal post-COVID pandemic vacation?
