Page Table Title

1	1	Q2180 And are you...?
2	2	Q2182 Do you consider yourself to be a transgender individual?
3	3	EDU9 Are you currently enrolled in any of the following education programs?
4	4	CDC1 Generally speaking, how concerned are you about personally contracting COVID-19 given your age and lifestyle?
5	5	CDC2 How well do you think each of the following statements describes your mindset as it relates to COVID-19? Summary Of Very/Somewhat Well
6	6	CDC2 How well do you think each of the following statements describes your mindset as it relates to COVID-19? Summary Of Not At All/Not Too Well
7	7	CDC2_1 How well do you think each of the following statements describes your mindset as it relates to COVID-19? Enough of my friends had COVID-19 in the fall that it's not as big of a concern this spring.
8	8	CDC2_2 How well do you think each of the following statements describes your mindset as it relates to COVID-19? Some college students are being too reckless with socializing given COVID-19 that is giving all students a bad reputation.
9	9	CDC2_3 How well do you think each of the following statements describes your mindset as it relates to COVID-19? Students missing out on the college experience because of COVID-19 safety protocols is not worth it.
10	10	CDC2_4 How well do you think each of the following statements describes your mindset as it relates to COVID-19? I'm trying the best I can but sometimes I "slip up" in following protocols because I fear missing out on the college experience.
11	11	CDC2_5 How well do you think each of the following statements describes your mindset as it relates to COVID-19? I am burnt out on coronavirus precautions.
12	12	CDC3 How has the COVID-19 pandemic impacted your mental health?
13	13	CDC4 Thinking more about how the COVID-19 pandemic has affected your mental health, how are you coping? Please select all that apply.
14	14	CDC5 Do you think your school's COVID-19 policies are being too strict, about right, or not strict enough?
15	15	CDC6 How well of a job do you think your school's administration is doing in communicating the current state of COVID-19 at your school?
16	16	CDC7X Which of the following outlets would you prefer to hear about COVID-19 vaccine information? Please select all that apply.
17	17	CDC8 What would be effective in making your learning experience more meaningful right now? Please select all that apply.
18	18	VCE1 Which of the following best describes your mindset when it comes to getting the COVID-19 vaccine when it becomes available to you?
19	19	VCE2 How aware are you of who is currently eligible to receive a COVID-19 vaccine in your area?
20	20	VCE3 How good of a job would you say your local community has done in making it known to the public who is currently eligible to receive a vaccine?
21	21	VCE4 Have you or anyone in your family registered for an appointment to receive the COVID-19 vaccine?
22	22	VCE5 How difficult or easy did you find the registration for a COVID-19 vaccination appointment process to be?
23	23	VCE6 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? Summary Of Very/Somewhat Good Job
24	24	VCE6 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? Summary Of Very/Somewhat Poor Job
25	25	VCE6_1 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? Former President Trump
26	26	VCE6_2 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? President Biden
27	27	VCE6_3 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? Centers for Disease Control and Prevention (CDC)
28	28	VCE6_4 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? Food & Drug Administration (FDA)
29	29	VCE6_5 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? Media outlets
30	30	VCE6_6 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? Pfizer
31	31	VCE6_7 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? Moderna
32	32	VCE6_8 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? My doctor or healthcare provider
33	33	VCE6_9 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? State healthcare agency
34	34	VCE6_10 How good of a job has each of the following done in explaining the safety and possible risks associated with the currently available COVID-19 vaccines? Dr. Anthony Fauci
35	35	VCE7 Generally speaking, do you think people with concerns about receiving the COVID-19 vaccine are overreacting, or are their concerns legitimate?
36	36	VCE8 How reasonable do you think each of the following reasons are that some people are citing for not wanting to receive the COVID-19 vaccine? Summary Of Very/Somewhat Reasonable
37	37	VCE8 How reasonable do you think each of the following reasons are that some people are citing for not wanting to receive the COVID-19 vaccine? Summary Of Not At All/Not Too Reasonable
38	38	VCE8_1 How reasonable do you think each of the following reasons are that some people are citing for not wanting to receive the COVID-19 vaccine? Don't know what is in the vaccine.

25 January 2021

Fielding Period: March 14, 2020 - January 25, 2021

COVID-19
Weighted To The U.S. General Adult Population - Propensity

Page	Table	Title
39	39	VCE8_2 How reasonable do you think each of the following reasons are that some people are citing for not wanting to receive the COVID-19 vaccine? Concern about side effects.
40	40	VCE8_3 How reasonable do you think each of the following reasons are that some people are citing for not wanting to receive the COVID-19 vaccine? Development of the vaccine was rushed too quickly.
41	41	VCE8_4 How reasonable do you think each of the following reasons are that some people are citing for not wanting to receive the COVID-19 vaccine? Don't trust the government to determine if the vaccine is safe.
42	42	VCE8_5 How reasonable do you think each of the following reasons are that some people are citing for not wanting to receive the COVID-19 vaccine? Vaccine effects could be worse than COVID-19 itself.
43	43	VCE8_6 How reasonable do you think each of the following reasons are that some people are citing for not wanting to receive the COVID-19 vaccine? Drug companies are experimenting on consumers.
44	44	VCE8_7 How reasonable do you think each of the following reasons are that some people are citing for not wanting to receive the COVID-19 vaccine? COVID-19 is overblown anyway.
45	45	VCE8_8 How reasonable do you think each of the following reasons are that some people are citing for not wanting to receive the COVID-19 vaccine? They've already had COVID-19 and are immune.
46	46	VCE9 Have you had any of the following with a friend or family member about taking the COVID-19 vaccine? Please select all that apply.
47	47	VCE10 How optimistic are you that additional vaccines (other than Moderna and Pfizer) will be developed and approved here in the U.S. in the coming weeks?
48	48	VCE11 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Summary Of I Am Comfortable Doing This Now
49	49	VCE11 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Summary Of After First Dose
50	50	VCE11 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Summary Of Immediately After Second Dose
51	51	VCE11 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Summary Of A Few Weeks After Second Dose
52	52	VCE11 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Summary Of After My Close Friends And Family Are Vaccinated
53	53	VCE11 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Summary Of After The Country Reaches Herd Immunity
54	54	VCE11 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Summary Of Not Applicable
55	55	VCE11_1 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Visit with family and friends without a mask
56	56	VCE11_2 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Eat indoors at a restaurant
57	57	VCE11_3 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Travel on an airplane
58	58	VCE11_4 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Go to a concert or sporting event
59	59	VCE11_5 If you were to get the vaccine when it is available to you in the coming months, when do you think you would feel safe to do each of the following? Work in-person
60	60	BV How involved do you think private companies in the U.S. should be in helping with the COVID-19 vaccine rollout?
61	61	CVR1X Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Summary Of Overstepping
62	62	CVR1X Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Summary Of Appropriate
63	63	CVR1X Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Summary Of Not Sure
64	64	CVR1X_1 Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Providing discounts to customers who provide proof of vaccination.
65	65	CVR1X_2 Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Using marketing and advertising to encourage consumers to take the vaccine.
66	66	CVR1X_3 Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Using marketing and advertising to push back against vaccine misinformation.
67	67	CVR1X_4 Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Developing digital technology to validate proof of vaccination.
68	68	CVR1X_5 Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Converting space to create vaccination clinics.
69	69	CVR1X_6 Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Mandate the vaccine as a requirement to work in-person.
70	70	CVR1X_7 Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Offering bonuses to employees who receive the vaccine.
71	71	CVR1X_8 Companies are assisting in COVID-19 in a variety of ways. For each of the following, do you think it is an appropriate use of their resources or is it overstepping their role? Helping the government coordinate logistics.
