STI03 As you may know, President Biden recently signed a COVID relief bill that includes \$1400 direct payments to individuals making \$80,000 or less annually and couples making \$160,000 or less annually. Do you expect that you will qualify to receive money from the stimulus bill?

VH01 We are looking to further understand your thoughts and opinions on the COVID-19 vaccine. Would you be willing to participate in a virtual focus group on the subject? If yes, please provide your contact information below so that a member of our team at the Harris Poll or AlphaBuzz (our recruiting partner) can contact you. They will ask a few questions and, if you qualify, confirm your availability for the group. Your information will not be used other than for this specific purpose. If selected, you will be compensated for your participation.

Would you be willing to participate in the virtual focus group?

Page Table Title

1	1	EDU9 Are you currently enrolled in any of the following education programs?
2	2	JJ04 How optimistic are you that the United States will be able to vaccinate all Americans willing to receive a COVID-19 vaccine by the end of summer 2021?
3	3	RTN03 How confident are you that we will reach herd immunity and "return to normal" here in the U.S. by summer 2021?
4	4	VAX10 Recently, President Biden announced that all states are directed to allow all adults to be able to receive the vaccine by May 1st, regardless of occupation or health conditions. How much have you seen, read, or heard about this?
5	5	VAX11 How confident are you that all people at risk of severe COVID-19 complications will already have received a vaccine by May 1st so that anyone who wants a vaccine will be able to get one?
6	6	VAX12 Which of the following comes closer to your point of view about the decision to direct states to allow all adults to be able to receive a COVID-19 vaccine on May 1st?
7	7	STI03 As you may know, President Biden recently signed a COVID relief bill that includes \$1400 direct payments to individuals making \$80,000 or less annually and couples making \$160,000 or less annually. Do you expect that you will qualify to receive money from the stimulus bill?
8	8	STI10 Have you received your stimulus check yet?
9	9	STI09 Which of the following are you doing with your stimulus check? Please select all that apply.
10	10	VD01 Who do you think is best prepared to distribute the coronavirus vaccine?
11	11	VCE1 Which of the following best describes your mindset when it comes to getting the COVID-19 vaccine when it becomes available to you?
12	12	CDC20 Recently, the US Centers for Disease Control (CDC) released new guidelines on how fully vaccinated people can gather with others. "Fully vaccinated" means two weeks after your final dose of the vaccine. How much have you seen, read, or heard about the CDC's new guidelines?
13	13	CDC22 From what you understand of CDC's new national guidance, what activities can people who have been fully vaccinated now resume? "Fully vaccinated" means two weeks after your final dose of the vaccine. Please select all that apply.
14	14	CDC23 From what you understand of CDC's new national guidance, what activities can everyone, including unvaccinated people, now resume? Please select all that apply.
15	15	CDC24 Which statement best describes how you feel about the CDC's new recommendations for fully vaccinated people to protect themselves and others from COVID-19?
16	16	CDC25 Who do you trust for guidance on what actions to take after vaccination to protect yourself and others? Please select all that apply.
17	17	CDC26 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Summary Of Very/Somewhat Comfortable
18	18	CDC26 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Summary Of Very/Somewhat Uncomfortable
19	19	CDC26_1 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Going into public places indoors (e.g., stores, restaurants, gyms) without wearing a mask
20	20	CDC26_2 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Gathering indoors with friends/relatives who all live together without wearing a mask
21	21	CDC26_3 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Gathering indoors with any friends and family in a small group, without wearing a mask
22	22	CDC26_4 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Gathering indoors with friends/family members who are at high risk for severe COVID illness, without wearing a mask
23	23	CDC26_5 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Traveling within the US
24	24	CDC26_6 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Traveling internationally
25	25	CDC26_7 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Skipping quarantine after travel
26	26	CDC26_8 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Skipping quarantine after exposure to someone who tests positive for COVID-19
27	27	CDC26_9 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Attending medium or large size gatherings
28	28	CDC27 Why do you now feel very/somewhat uncomfortable going into public places indoors (e.g., stores, restaurants, gyms) without wearing a mask? Please select all that apply.
29	29	CDC27 Why do you now feel very/somewhat comfortable going into public places indoors (e.g., stores, restaurants, gyms) without wearing a mask? Please select all that apply.
30	30	CDC27 Why do you now feel very/somewhat uncomfortable gathering indoors with any friends and family in a small group, without wearing a mask? Please select all that apply.
31	31	CDC27 Why do you now feel very/somewhat comfortable gathering indoors with any friends and family in a small group, without wearing a mask? Please select all that apply.
32	32	CDC27 Why do you now feel very/somewhat uncomfortable gathering indoors with friends/family members who are at high risk for severe COVID illness, without wearing a mask? Please select all that apply.
33	33	CDC27 Why do you now feel very/somewhat comfortable gathering indoors with friends/family members who are at high risk for severe COVID illness, without wearing a mask? Please select all that apply.
34	34	CDC27 Why do you now feel very/somewhat uncomfortable traveling within the US? Please select all that apply.
35	35	CDC27 Why do you now feel very/somewhat comfortable traveling within the US? Please select all that apply.
36	36	CDC27 Why do you now feel very/somewhat uncomfortable attending medium or large size gatherings? Please select all that apply.
37	37	CDC27 Why do you now feel very/somewhat comfortable attending medium or large size gatherings? Please select all that apply.
38	38	CDC28 According to new national guidance, people who have been fully vaccinated can now safely visit with vaccinated friends and family members without wearing a mask. Knowing this, how likely are you to continue to take these precautions after vaccination? Summary Of Very/Somewhat Likely
39	39	CDC28 According to new national guidance, people who have been fully vaccinated can now safely visit with vaccinated friends and family members without wearing a mask. Knowing this, how likely are you to continue to take these precautions after vaccination? Summary Of Very/Somewhat Unlikely

Page Table Title

40	40	CDC28_1 According to new national guidance, people who have been fully vaccinated can now safely visit with vaccinated friends and family members without wearing a mask. Knowing this, how likely are you to continue to take these precautions after vaccination? Wear a mask in public
41	41	CDC28_2 According to new national guidance, people who have been fully vaccinated can now safely visit with vaccinated friends and family members without wearing a mask. Knowing this, how likely are you to continue to take these precautions after vaccination? Stay 6 feet apart from others in public
42	42	CDC28_3 According to new national guidance, people who have been fully vaccinated can now safely visit with vaccinated friends and family members without wearing a mask. Knowing this, how likely are you to continue to take these precautions after vaccination? Avoid large crowds/gatherings
43	43	CDC28_4 According to new national guidance, people who have been fully vaccinated can now safely visit with vaccinated friends and family members without wearing a mask. Knowing this, how likely are you to continue to take these precautions after vaccination? Wear a mask during visits with unvaccinated friends or family who are low risk of COVID illness
44	44	CDC28_5 According to new national guidance, people who have been fully vaccinated can now safely visit with vaccinated friends and family members without wearing a mask. Knowing this, how likely are you to continue to take these precautions after vaccination? Wear a mask during visits with unvaccinated friends or family who are high risk of COVID illness
45	45	CDC28_6 According to new national guidance, people who have been fully vaccinated can now safely visit with vaccinated friends and family members without wearing a mask. Knowing this, how likely are you to continue to take these precautions after vaccination? Delay domestic travel
46	46	CDC28_7 According to new national guidance, people who have been fully vaccinated can now safely visit with vaccinated friends and family members without wearing a mask. Knowing this, how likely are you to continue to take these precautions after vaccination? Delay international travel
47	47	CDC29 Are you more or less likely to want to get vaccinated, knowing that the CDC now says that fully vaccinated people can safely resume the following activities? Summary Of Much/Somewhat More Likely
48	48	CDC29 Are you more or less likely to want to get vaccinated, knowing that the CDC now says that fully vaccinated people can safely resume the following activities? Summary Of Much/Somewhat Less Likely
49	49	CDC29_1 Are you more or less likely to want to get vaccinated, knowing that the CDC now says that fully vaccinated people can safely resume the following activities? Visit with other fully vaccinated friends or family members without wearing a mask
50	50	CDC29_2 Are you more or less likely to want to get vaccinated, knowing that the CDC now says that fully vaccinated people can safely resume the following activities? Gather indoors with unvaccinated friends or family from one other household without wearing a mask
51	51	CDC29_3 Are you more or less likely to want to get vaccinated, knowing that the CDC now says that fully vaccinated people can safely resume the following activities? No longer need to quarantine or test after known exposure to someone with COVID-19
52	52	CDC30 Although the following activities are not included in the recently released guidelines, how much more likely or unlikely are you to get vaccinated if you could resume the following activities after you get vaccinated? Summary Of Very/Somewhat Likely
53	53	CDC30 Although the following activities are not included in the recently released guidelines, how much more likely or unlikely are you to get vaccinated if you could resume the following activities after you get vaccinated? Summary Of Very/Somewhat Unlikely
54	54	CDC30_1 Although the following activities are not included in the recently released guidelines, how much more likely or unlikely are you to get vaccinated if you could resume the following activities after you get vaccinated? Visit indoor spaces and businesses (e.g., bars, restaurants, gyms) with a mask
55	55	CDC30_2 Although the following activities are not included in the recently released guidelines, how much more likely or unlikely are you to get vaccinated if you could resume the following activities after you get vaccinated? Visit indoor spaces and businesses (e.g., bars, restaurants, gyms) without a mask
56	56	CDC30_3 Although the following activities are not included in the recently released guidelines, how much more likely or unlikely are you to get vaccinated if you could resume the following activities after you get vaccinated? Return to your campus or office
57	57	CDC30_4 Although the following activities are not included in the recently released guidelines, how much more likely or unlikely are you to get vaccinated if you could resume the following activities after you get vaccinated? Travel within the US without needing to test or quarantine for COVID-19
58	58	CDC30_5 Although the following activities are not included in the recently released guidelines, how much more likely or unlikely are you to get vaccinated if you could resume the following activities after you get vaccinated? Travel internationally without needing to quarantine once you return
59	59	CDC03X Thinking about the trips you've taken since December 2020, which of the following, if any, precautions did you take before and while traveling? Please select all that apply.
60	60	CDC31 What precautions did you take after traveling? Please check all that apply.
61	61	BID3 How much stress would you say recent political turmoil is causing you personally?
62	62	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Top 2 Box
63	63	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Bottom 2 Box
64	64	RTN01_1 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Shop in a store without a mask
65	65	RTN01_2 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Visit with family or friends without a mask
66	66	RTN01_3 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Fly on a plane
67	67	RTN01_4 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Stay in a hotel

Page Table Title

161	161	Q33B_4 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go out to dinner
162	162	Q33B_5 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Visit a casino
163	163	Q33B_6 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Stay in a hotel
164	164	Q33B_7 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go to the office
165	165	Q33B_8 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go to a sporting event
166	166	Q33B_9 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Go to the movies
167	167	Q33B_10 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Host/attend a large social gathering
168	168	Q33B_11 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Take public transportation (e.g., subway, busses, trains)
169	169	Q33B_12 Once the government provides information that the spread of the virus is flattening how long will it take you to do each of the following? Greet people with a handshake
170	170	Q36 How likely do you think it is that coronavirus (COVID-19) will cause a global recession?
171	171	Q36A Would you say we are in a global recession due to the coronavirus outbreak?
172	172	LI01 Which do you think will have a bigger effect on the life of you and your family?
173	173	VH01 We are looking to further understand your thoughts and opinions on the COVID-19 vaccine. Would you be willing to participate in a virtual focus group on the subject? If yes, please provide your contact information below so that a member of our team at the Harris Poll or AlphaBuzz (our recruiting partner) can contact you. They will ask a few questions and, if you qualify, confirm your availability for the group. Your information will not be used other than for this specific purpose. If selected, you will be compensated for your participation. Would you be willing to participate in the virtual focus group?

VAX12 Which of the following comes closer to your point of view about the decision to direct states to allow all adults to be able to receive a COVID-19 vaccine on May 1st?

	Race				Parents		Region				Urbanicity			Employment Status		Vaccine Acceptance		Women		
	Wave 55 (3/12 - 3/14)	White	Black or African American	Asian or Pacific Islander	Hispanic	Parent	Not Parent	Northeast	Midwest	South	West	Urban	Rural	Suburban	Employed	Not Employ- ed	Likely Vaccine	Not Likely Vaccine	BIPOC Women	Low Income Women
	(A)	(B)	(C)	(D)	(E)	(F)	(G)	(H)	(I)	(J)	(K)	(L)	(M)	(N)	(O)	(P)	(Q)	(R)	(S)	(T)
Unweighted Base	1977	1660	147	87	143	1157	782	441	402	715	419	618	472	887	1070	907	1482	495	160	451
Weighted Base	1977	1360	256	132*	291*	1165	753	358	396	750	473	637	409	932	1099	878	1465	512	294	348
Good idea as it will allow everyone who wants to be vaccinated to receive one.	1509 76%	1069 79%	183 72%	104 79%	205 71%	930 80%	543 72%	292 82%	283 71%	562 75%	373 79%	529 83%	301 74%	680 73%	859 78%	651 74%	1207 82%	302 59%	211 72%	259 74%
Bad idea as even after currently designated priority groups receive the vaccine, there will still be vulnerable people who should get the vaccine before healthy members of the public.	468 24%	291 21%	73 28% b	27 21%	85 29% b	235 20%	210 28% F	66 18%	113 29% HK	188 25% H	100 21%	108 17%	107 26% L	252 27% L	240 22%	227 26%	258 18%	209 41% Q	82 28%	89 26%

ST103 As you may know, President Biden recently signed a COVID relief bill that includes \$1400 direct payments to individuals making \$80,000 or less annually and couples making \$160,000 or less annually. Do you expect that you will qualify to receive money from the stimulus bill?

VH01 We are looking to further understand your thoughts and opinions on the COVID-19 vaccine. Would you be willing to participate in a virtual focus group on the subject? If yes, please provide your contact information below so that a member of our team at the Harris Poll or AlphaBuzz (our recruiting partner) can contact you. They will ask a few questions and, if you qualify, confirm your availability for the group. Your information will not be used other than for this specific purpose. If selected, you will be compensated for your participation.

Would you be willing to participate in the virtual focus group?

Fielding Period: March 14, 2020 - March 14, 2021

COVID-19

Weighted To The U.S. General Adult Population - Propensity

Page Table Title

1	1	EDU9 Are you currently enrolled in any of the following education programs?
2	2	JJ04 How optimistic are you that the United States will be able to vaccinate all Americans willing to receive a COVID-19 vaccine by the end of summer 2021?
3	3	RTN03 How confident are you that we will reach herd immunity and "return to normal" here in the U.S. by summer 2021?
4	4	VAX10 Recently, President Biden announced that all states are directed to allow all adults to be able to receive the vaccine by May 1st, regardless of occupation or health conditions. How much have you seen, read, or heard about this?
5	5	VAX11 How confident are you that all people at risk of severe COVID-19 complications will already have received a vaccine by May 1st so that anyone who wants a vaccine will be able to get one?
6	6	VAX12 Which of the following comes closer to your point of view about the decision to direct states to allow all adults to be able to receive a COVID-19 vaccine on May 1st?
7	7	STI03 As you may know, President Biden recently signed a COVID relief bill that includes \$1400 direct payments to individuals making \$80,000 or less annually and couples making \$160,000 or less annually. Do you expect that you will qualify to receive money from the stimulus bill?
8	8	STI10 Have you received your stimulus check yet?
9	9	STI09 Which of the following are you doing with your stimulus check? Please select all that apply.
10	10	VD01 Who do you think is best prepared to distribute the coronavirus vaccine?
11	11	VCE1 Which of the following best describes your mindset when it comes to getting the COVID-19 vaccine when it becomes available to you?
12	12	CDC20 Recently, the US Centers for Disease Control (CDC) released new guidelines on how fully vaccinated people can gather with others. "Fully vaccinated" means two weeks after your final dose of the vaccine. How much have you seen, read, or heard about the CDC's new guidelines?
13	13	CDC22 From what you understand of CDC's new national guidance, what activities can people who have been fully vaccinated now resume? "Fully vaccinated" means two weeks after your final dose of the vaccine. Please select all that apply.
14	14	CDC23 From what you understand of CDC's new national guidance, what activities can everyone, including unvaccinated people, now resume? Please select all that apply.
15	15	CDC24 Which statement best describes how you feel about the CDC's new recommendations for fully vaccinated people to protect themselves and others from COVID-19?
16	16	CDC25 Who do you trust for guidance on what actions to take after vaccination to protect yourself and others? Please select all that apply.
17	17	CDC26 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Summary Of Very/Somewhat Comfortable
18	18	CDC26 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Summary Of Very/Somewhat Uncomfortable
19	19	CDC26_1 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Going into public places indoors (e.g., stores, restaurants, gyms) without wearing a mask
20	20	CDC26_2 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Gathering indoors with friends/relatives who all live together without wearing a mask
21	21	CDC26_3 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Gathering indoors with any friends and family in a small group, without wearing a mask
22	22	CDC26_4 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Gathering indoors with friends/family members who are at high risk for severe COVID illness, without wearing a mask
23	23	CDC26_5 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Traveling within the US
24	24	CDC26_6 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Traveling internationally
25	25	CDC26_7 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Skipping quarantine after travel
26	26	CDC26_8 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Skipping quarantine after exposure to someone who tests positive for COVID-19
27	27	CDC26_9 How comfortable do you feel doing the following activities given the recent progress made against COVID-19? Attending medium or large size gatherings
28	28	CDC27 Why do you now feel very/somewhat uncomfortable going into public places indoors (e.g., stores, restaurants, gyms) without wearing a mask? Please select all that apply.
29	29	CDC27 Why do you now feel very/somewhat comfortable going into public places indoors (e.g., stores, restaurants, gyms) without wearing a mask? Please select all that apply.
30	30	CDC27 Why do you now feel very/somewhat uncomfortable gathering indoors with any friends and family in a small group, without wearing a mask? Please select all that apply.
31	31	CDC27 Why do you now feel very/somewhat comfortable gathering indoors with any friends and family in a small group, without wearing a mask? Please select all that apply.
32	32	CDC27 Why do you now feel very/somewhat uncomfortable gathering indoors with friends/family members who are at high risk for severe COVID illness, without wearing a mask? Please select all that apply.
33	33	CDC27 Why do you now feel very/somewhat comfortable gathering indoors with friends/family members who are at high risk for severe COVID illness, without wearing a mask? Please select all that apply.
34	34	CDC27 Why do you now feel very/somewhat uncomfortable traveling within the US? Please select all that apply.
35	35	CDC27 Why do you now feel very/somewhat comfortable traveling within the US? Please select all that apply.
