

070921 - HOD FLASH (24 HOUR)

Q5151: At what income level would you classify your household?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, NET LOWER CLASS, Lower income, Working class, NET MIDDLE CLASS, Upper middle class, NET UPPER CLASS, Affluent, and Wealthy/Elite.

* Table Base: US RESPONDENTS

Q5152: What is the minimum and maximum annual household income you believe is necessary to be considered part of the middle class?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, Minimum annual household income, and Maximum annual household income.

* Table Base: US RESPONDENTS

Q5153: What is the minimum and maximum annual household income you believe is necessary to be considered part of the middle class?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, Minimum annual household income, and Maximum annual household income.

* Table Base: US RESPONDENTS

Q5154: What is the minimum and maximum annual household income you believe is necessary to be considered part of the middle class?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, Minimum annual household income, and Maximum annual household income.

* Table Base: US RESPONDENTS

Q5155: Overall, how much do you think the size of the middle-class population in the United States (i.e., the number of Americans considered members of the middle class) has increased or decreased over the past 10 years?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, NET INCREASE, Increased a lot, Increased a little, Stayed about the same size, NET DECREASE, Decreased a little, and Decreased a lot.

* Table Base: US RESPONDENTS

Q5156: Overall, how much do you think the size of the middle-class population in the United States (i.e., the number of Americans considered members of the middle class) will increase or decrease over the next 10 years?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, NET INCREASE, Increase a lot, Increase a little, Stay about the same size, NET DECREASE, Decrease a little, and Decrease a lot.

* Table Base: US RESPONDENTS

Q5157: How much do you agree or disagree with each of the following statements?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, NET AGREE, Strongly agree, Somewhat agree, NET DISAGREE, Somewhat disagree, and Strongly disagree.

* Table Base: US RESPONDENTS

Q5158: How much do you agree or disagree with each of the following statements?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, NET AGREE, Strongly agree, Somewhat agree, NET DISAGREE, Somewhat disagree, and Strongly disagree.

* Table Base: US RESPONDENTS

Q5159: How much do you agree or disagree with each of the following statements?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, NET AGREE, Strongly agree, Somewhat agree, NET DISAGREE, Somewhat disagree, and Strongly disagree.

* Table Base: US RESPONDENTS

Q5160: How much do you agree or disagree with each of the following statements?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, NET AGREE, Strongly agree, Somewhat agree, NET DISAGREE, Somewhat disagree, and Strongly disagree.

* Table Base: US RESPONDENTS

Q5161: How much do you agree or disagree with each of the following statements?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, NET AGREE, Strongly agree, Somewhat agree, NET DISAGREE, Somewhat disagree, and Strongly disagree.

* Table Base: US RESPONDENTS

Q5162: How much do you agree or disagree with each of the following statements?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Total, NET AGREE, Strongly agree, Somewhat agree, NET DISAGREE, Somewhat disagree, and Strongly disagree.

* Table Base: US RESPONDENTS

Q5163: You indicated that you agree there is a growing income gap in the U.S. In general, how much of a positive or negative impact do you think that the growing income gap has had on each of the following?

Table with columns for Household Income, Education, Employment, Children in HH, Parent of Child Under 18, Home Ownership, Married, Marital Status, White, AA, and Hispanic. Rows include Lower income Americans, Middle class Americans, and Higher income Americans. Each row has sub-rows for NET POSITIVE, Very positive impact, Somewhat positive impact, NET NEGATIVE, Somewhat negative impact, and Very negative impact.
