AIR02 As airlines introduced increased safety measures related to the ongoing COVID-19 pandemic, some experts are saying that over the next few years passengers may be required to arrive at the airport at least 4 hours before their flight. Given this increased wait time, are you more or less to book a flight the next time you need to travel?

EMP17_3 As social distancing restrictions related to the COVID-19 pandemic end, offices that previously introduced work-from-home policies will begin to re-open. How much do you agree or disagree with each of the following?
 Employers should stagger when employees are allowed to work from the office to ensure social distancing.

Q14_2 How much do you agree or disagree with each of the following?

Americans have a responsibility to each other to take preventative measures (e.g., self-quarantining, washing hands frequently) to limit the spread of COVID-19.

Base: All Respondents

120	115	EMP15 In your current job, did you work out of an office setting before social distancing restrictions were introduced due to the COVID-19 pandemic?
121	116	EMP16 As social distancing restrictions are eased off and things begin to return to normal, which of the following comes closest to your point of view in returning to working from an office?
122	117	EMP17 As social distancing restrictions related to the COVID-19 pandemic end, offices that previously introduced work-from-home policies will begin to re-open. How much do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Agree
123	118	EMP17 As social distancing restrictions related to the COVID-19 pandemic end, offices that previously introduced work-from-home policies will begin to re-open. How much do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Disagree
124	119	EMP17_1 As social distancing restrictions related to the COVID-19 pandemic end, offices that previously introduced work-from-home policies will begin to re-open. How much do you agree or disagree with each of the following? Employees should be allowed to work-from-home during the pandemic until they feel comfortable to return.
125	120	EMP17_2 As social distancing restrictions related to the COVID-19 pandemic end, offices that previously introduced work-from-home policies will begin to re-open. How much do you agree or disagree with each of the following? Employers should move towards sectioned-off offices and phase-out open-space offices to ensure social distancing.
126	121	EMP17_3 As social distancing restrictions related to the COVID-19 pandemic end, offices that previously introduced work-from-home policies will begin to re-open. How much do you agree or disagree with each of the following? Employers should stagger when employees are allowed to work from the office to ensure social distancing.
127	122	EMP17_4 As social distancing restrictions related to the COVID-19 pandemic end, offices that previously introduced work-from-home policies will begin to re-open. How much do you agree or disagree with each of the following? If the work is able to be done remotely, employers should not require their employees to return to the office until COVID-19 is no longer a threat.
128	123	EMP17_5 As social distancing restrictions related to the COVID-19 pandemic end, offices that previously introduced work-from-home policies will begin to re-open. How much do you agree or disagree with each of the following? Employers must have clear guidelines outlining safety precautions before they allow employees to return to the office.
129	124	EMP17_6 As social distancing restrictions related to the COVID-19 pandemic end, offices that previously introduced work-from-home policies will begin to re-open. How much do you agree or disagree with each of the following? If employers want their employees to return to work from the office, they must provide personal protective equipment (PPE).
130	125	EMP09 Which of the following do you think workplaces must have in order to re-open? Please select all that apply.
131	126	EMP14 When do you believe Americans should be getting off unemployment and getting back to work?
132	127	STK01 Do you currently have any investments in the stock market? Please select all that apply.
133	128	STK02 Since the start of the coronavirus pandemic, have you made any changes to your investments? Please select all that apply.
134	129	STK03 Do you think that over the next year, the stock market will go up or go down?
135	130	REV01 Are you planning any major purchases once things return to normal and businesses re-open? Please select all that apply.
136	131	REV01 Are you planning any major purchases once things return to normal and businesses re-open? Please select all that apply.
137	132	Q15 How concerned are you about the impact coronavirus (COVID-19) has on the following? Summary Of Concerned
138	133	Q15 How concerned are you about the impact coronavirus (COVID-19) has on the following? Summary Of Not At All/Not Very Concerned
139	134	Q15_1 How concerned are you about the impact coronavirus (COVID-19) has on the following? Your personal health

143	138	Q15_5 How concerned are you about the impact coronavirus (COVID-19) has on the following? Your personal finances
144	139	Q18 Which of the following is true for you?
145	140	Q21 Which of the following is closest to your view of people's reaction to the coronavirus (COVID-19) outbreak?
146	141	Q14 How much do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Agree
147	142	Q14 How much do you agree or disagree with each of the following? Summary Of Strongly/Somewhat Disagree
148	143	Q14_1 How much do you agree or disagree with each of the following? Americans have a responsibility to each other to perform social distancing to limit the spread of COVID-19.
149	144	Q14_2 How much do you agree or disagree with each of the following? Americans have a responsibility to each other to take preventative measures (e.g., self-quarantining, washing hands frequently) to limit the spread of COVID-19.
150	145	Q14_3 How much do you agree or disagree with each of the following? Americans who do not socially distance themselves from others are putting others at risk.
151	146	Q14_4 How much do you agree or disagree with each of the following? Americans who refuse to follow CDC/Local Public Health guidelines are putting others at risk.
152	147	Q14_5 How much do you agree or disagree with each of the following? The most patriotic thing we as Americans can do for our country right now, is to make a national sacrifice to stay home for the welfare of others.

Page	Table	Title
184	179	Q22_3 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Hospital beds (room for patients)
185	180	Q22_4 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Hospital ventilators (for assisted breathing)
186	181	Q22_5 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Healthcare workers (doctors, nurses, supporting staff)
187	182	Q22_6 How concerned are you about each of the following potential shortages from coronavirus (COVID-19) in the healthcare system? Dialysis machines
188	183	NKF03 Now thinking about only one complication that may result from COVID-19 illness, how aware are you that the virus will likely result in a higher number of Americans with chronic kidney disease and/or kidney failure?
189	184	NKF04 Given the life-threatening shortages of ventilators and the challenges it has created for hospitals, especially in COVID-19 hotspots (i.e., areas of high incidence or prevalence), do you support the federal government stepping in to fund hospitals in hot spots to access the equipment, supplies, and staff needed to care for patients with complications like Acute Kidney Injury (AKI)?
190	185	NKF05 Thinking more about kidney-related illness resulting from the COVID-19 epidemic, do you support the federal government devoting more resources toward the diagnosis, prevention, and treatment of kidney diseases and significantly increase funding for kidney related research at the National Institutes of Health (NIH)?
191	186	FR11 How concerned are you about you or your loved one's risk of being exposed to coronavirus when you leave your home for essential errands during stay-home orders?
192	187	FR13 How concerned are you about you or your loved one's risk of accidentally exposing others to coronavirus when you leave your home for essential errands during stay-home orders?
193	188	FR12 When stay-at-home orders are lifted, how concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Summary Of Very/Somewhat Concerned
194	189	FR12 When stay-at-home orders are lifted, how concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Summary Of Not At All/Not Very Concerned
195	190	FR12_1 When stay-at-home orders are lifted, how concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Leaving my home for the first time to go to non-essential businesses (e.g., bars, hair dressers, etc.)
196	191	FR12_2 When stay-at-home orders are lifted, how concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Returning to my normal activities in public (e.g., public transit, socializing)
197	192	FR12_3 When stay-at-home orders are lifted, how concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Taking my first flight
198	193	FR12_4 When stay-at-home orders are lifted, how concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? My kids going back to school for the first time
199	194	FR12_5 When stay-at-home orders are lifted, how concerned are you about the following situations, as it relates to the risk of you/your loved ones being exposed to, or accidentally exposing others to coronavirus? Going back to the office
200	195	MED02 Are you using each of the following more, less, or about the same since the coronavirus outbreak? Summary Of More
