Page Table Title

1	1	VCE1a Which of the following applies to you regarding the COVID-19 vaccine?
2	2	VCE1b Which of the following best describes your mindset to getting the COVID-19 vaccine in the future?
3	3	BOS02 How likely are you to get a COVID-19 booster shot now that it is available to you?
4	4	HINS01 Do you currently have health insurance?
5	5	CH1 Have you been diagnosed with any chronic health conditions?
6	6	CH2 What chronic health conditions have you been currently diagnosed with? Please select all that apply.
7	7	DHQ01 Do you have a primary care physician or clinic (i.e., doctors who provide generalized and routine care, and are usually the first step when diagnosing unknown medical issues)?
8	8	PCP01 What are the reasons for you having a primary care physician and/or clinic? Please select all that apply.
9	9	PCP02 How satisfied generally are you with your primary care physician and/or clinic?
10	10	PCP03 How little or much does your primary care physician discuss insurance coverage and costs of prescriptions, treatments, and services with you at your appointments?
11	11	PCP04 What are the reasons as to why you do not have a primary care physician? Please select all that apply.
12	12	PCP05 How concerned are you about not having a primary care physician or clinic?
13	13	PCP06 What concerns you about not having a primary care physician? Please select all that apply.
14	14	PCP07 How important is it for you to have a primary care physician that matches your own individual characteristics such as gender and/or race/ethnicity?
15	15	PCP08 To what extent do you agree or disagree that the pandemic and the potential impacts of a COVID infection have caused you to either utilize or think about visiting a primary care physician for preventive health care?
16	16	BOS01 Which of the following statements comes closer to your point of view for how the U.S. should use the remaining supply of COVID-19 vaccines and boosters?
17	17	OV93 What statement comes closest to your behavior in consuming COVID-19 news?
18	18	OV94 At the moment, how frequently do you partake in COVID risky situations such as being in busy restaurants, bars, or stores without a mask, attending large parties or public events, or being around unvaccinated individuals?
19	19	CDC133 The CDC recently shortened the recommended quarantine time for asymptomatic COVID positive individuals from 10 to 5 days followed by 5 days of mask wearing when around others. How much do you oppose or support this recommendation?
20	20	CDC134 Which statement comes closest to your feelings about the latest CDC quarantine recommendation?
21	21	CZ90 Which one of the following do you think should be the primary short-term public health goal of the COVID pandemic?
22	22	CZ91 Which one of the following do you think should be the primary long-term public health goal of the COVID pandemic?
23	23	CZ92 At the moment, which is a higher priority for you personally?
24	24	OV09 Which statement comes closest to your prediction of the state of the pandemic in 2022?
25	25	BOS17 What do you consider to be "fully vaccinated" today?
26	26	CT01 How concerned are you about each of following due to the COVID-19 pandemic? Summary Of Very/Somewhat Concerned
27	27	CT01 How concerned are you about each of following due to the COVID-19 pandemic? Summary Of Not At All/Not Too Concerned
28	28	CT01_1 How concerned are you about each of following due to the COVID-19 pandemic? A new wave of COVID-19 in my area
29	29	CT01_2 How concerned are you about each of following due to the COVID-19 pandemic? Losing your job due to the pandemic
30	30	CT01_3 How concerned are you about each of following due to the COVID-19 pandemic? You or your loved one's risk of being exposed to COVID-19 when you leave your home for essential errands
31	31	CT01_4 How concerned are you about each of following due to the COVID-19 pandemic? Returning to my normal activities in public (e.g., public transit, socializing)
32	32	CT01_5 How concerned are you about each of following due to the COVID-19 pandemic? Potential shortage of hospital ventilators for assisted breathing
33	33	CT01_6 How concerned are you about each of following due to the COVID-19 pandemic? Potential side effects of COVID vaccine
34	34	CT01_7 How concerned are you about each of following due to the COVID-19 pandemic? New variants of COVID-19
35	35	BID3 How much stress would you say recent political turmoil is causing you personally?
36	36	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Top 2 Box
37	37	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Bottom 2 Box
38	38	RTN01_1 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Shop in a store without a mask
39	39	RTN01_2 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Visit with family or friends without a mask

COVID-19 (Sport)

Weighted To The U.S. General Adult Population - Propensity

Page Table Title

1	1	VCE1a Which of the following applies to you regarding the COVID-19 vaccine?
2	2	VCE1b Which of the following best describes your mindset to getting the COVID-19 vaccine in the future?
3	3	BOS02 How likely are you to get a COVID-19 booster shot now that it is available to you?
4	4	HINS01 Do you currently have health insurance?
5	5	CH1 Have you been diagnosed with any chronic health conditions?
6	6	CH2 What chronic health conditions have you been currently diagnosed with? Please select all that apply.
7	7	DHQ01 Do you have a primary care physician or clinic (i.e., doctors who provide generalized and routine care, and are usually the first step when diagnosing unknown medical issues)?
8	8	PCP01 What are the reasons for you having a primary care physician and/or clinic? Please select all that apply.
9	9	PCP02 How satisfied generally are you with your primary care physician and/or clinic?
10	10	PCP03 How little or much does your primary care physician discuss insurance coverage and costs of prescriptions, treatments, and services with you at your appointments?
11	11	PCP04 What are the reasons as to why you do not have a primary care physician? Please select all that apply.
12	12	PCP05 How concerned are you about not having a primary care physician or clinic?
13	13	PCP06 What concerns you about not having a primary care physician? Please select all that apply.
14	14	PCP07 How important is it for you to have a primary care physician that matches your own individual characteristics such as gender and/or race/ethnicity?
15	15	PCP08 To what extent do you agree or disagree that the pandemic and the potential impacts of a COVID infection have caused you to either utilize or think about visiting a primary care physician for preventive health care?
16	16	BOS01 Which of the following statements comes closer to your point of view for how the U.S. should use the remaining supply of COVID-19 vaccines and boosters?
17	17	OV93 What statement comes closest to your behavior in consuming COVID-19 news?
18	18	OV94 At the moment, how frequently do you partake in COVID risky situations such as being in busy restaurants, bars, or stores without a mask, attending large parties or public events, or being around unvaccinated individuals?
19	19	CDC133 The CDC recently shortened the recommended quarantine time for asymptomatic COVID positive individuals from 10 to 5 days followed by 5 days of mask wearing when around others. How much do you oppose or support this recommendation?
20	20	CDC134 Which statement comes closest to your feelings about the latest CDC quarantine recommendation?
21	21	CZ90 Which one of the following do you think should be the primary short-term public health goal of the COVID pandemic?
22	22	CZ91 Which one of the following do you think should be the primary long-term public health goal of the COVID pandemic?
23	23	CZ92 At the moment, which is a higher priority for you personally?
24	24	OV09 Which statement comes closest to your prediction of the state of the pandemic in 2022?
25	25	BOS17 What do you consider to be "fully vaccinated" today?
26	26	CT01 How concerned are you about each of following due to the COVID-19 pandemic? Summary Of Very/Somewhat Concerned
27	27	CT01 How concerned are you about each of following due to the COVID-19 pandemic? Summary Of Not At All/Not Too Concerned
28	28	CT01_1 How concerned are you about each of following due to the COVID-19 pandemic? A new wave of COVID-19 in my area
29	29	CT01_2 How concerned are you about each of following due to the COVID-19 pandemic? Losing your job due to the pandemic
30	30	CT01_3 How concerned are you about each of following due to the COVID-19 pandemic? You or your loved one's risk of being exposed to COVID-19 when you leave your home for essential errands
31	31	CT01_4 How concerned are you about each of following due to the COVID-19 pandemic? Returning to my normal activities in public (e.g., public transit, socializing)
32	32	CT01_5 How concerned are you about each of following due to the COVID-19 pandemic? Potential shortage of hospital ventilators for assisted breathing
33	33	CT01_6 How concerned are you about each of following due to the COVID-19 pandemic? Potential side effects of COVID vaccine
34	34	CT01_7 How concerned are you about each of following due to the COVID-19 pandemic? New variants of COVID-19
35	35	BID3 How much stress would you say recent political turmoil is causing you personally?
36	36	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Top 2 Box
37	37	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Bottom 2 Box
38	38	RTN01_1 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Shop in a store without a mask
39	39	RTN01_2 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Visit with family or friends without a mask
