COVID-19

Weighted To The U.S. General Adult Population - Propensity

Page Table Title

1	1	VCE1a Which of the following applies to you regarding the COVID-19 vaccine?
2	2	VCE1b Which of the following best describes your mindset to getting the COVID-19 vaccine in the future?
3	3	CR10 Reflecting on last year's Capitol Building riots, how concerned are you that a similar event could occur again in the future?
4	4	CR11 Generally speaking, how many people in your community do you believe have extreme domestic views and policy ideas?
5	5	CR12A In hindsight, how significant of a moment in history do you believe January 6th is?
6	6	CR13A At the moment, how strong or weak do you think democracy is here in the U.S.?
7	7	CR14A How trustworthy do you believe the Department of Justice will be in holding all of those accountable in the planning and execution of the Capitol Building riots?
8	8	CR08 Reflecting back on the Capitol Building riots on January 6, 2021, which of the following would you say best describes what the events mean to America moving forward? Please select all that apply.
9	9	CR15A How would you best describe the events that happened at the U.S. Capitol Building on January 6, 2021? Please select all that apply.
10	10	CR16A Looking back, do you think America has become more divided or more united since January 6, 2021?
11	11	CR17A Do you think the 2020 Presidential Election was a free and fair election where the votes were accurately counted, or do you think there was substantial voter fraud that altered the outcome?
12	12	CR18A Do you think social media companies have done a good job or a poor job in helping to fight misinformation and extremist views on their platform since January 6, 2021?
13	13	CES02 How little or much do you follow news about the latest tech trends and developments like electric vehicles, virtual reality, smart home technology, health wearables, etc.
14	14	CES03 Much of the latest tech advancements requires accessing personal data, such as with health wearables and smart home technology. How much do you trust tech companies to keep your data information secure and private?
15	15	CES04 Tech companies invest millions in their latest products for what they believe is the "next big thing," which is augmented (AR) and virtual reality (VR) systems such as the metaverse. How much do you agree or disagree that AR and VR is actually what tech consumers want?
16	16	CES05 What innovations do you think tech companies should be focusing on? Please select all that apply.
17	17	CES06 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Summary Of Very/Somewhat Interested
18	18	CES06 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Summary Of Not At All/Not Too Interested
19	19	CES06_1 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Electric vehicles
20	20	CES06_2 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Virtual reality headsets and hardware
21	21	CES06_3 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Virtual reality goods such as clothing, real estate, etc
22	22	CES06_4 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Augmented reality systems
23	23	CES06_5 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Health tracking and wearable tech
24	24	CES06_6 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Smart home tech (e.g., lightbulbs, smart appliances, home security)
25	25	CES06_7 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? OLED televisions
26	26	CES06_8 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Personal technology (e.g., phones, tablets, computers)
27	27	CES06_9 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? NFTs, cryptocurrency
28	28	CES07 What comes closest to your purchasing habits for cutting edge tech items?
29	29	CES08 An upcoming idea is Web3/Web 3.0, a new iteration of the World Wide Web that would incorporate decentralization based on blockchains. How much have you heard, read, or seen about it?
30	30	NN01 As new variants emerge and COVID-19 cases climb, do you believe that the virus is now a part of daily life and it will last in some form, or do you think it will eventually be eradicated and no longer a cause of concern?
31	31	NN02 Who do you think is most responsible in causing the virus to become part of daily life?
32	32	NN03 How likely do you believe another serious variant, similar to Delta and Omicron, will surface in the U.S. in 2022?
33	33	NN04 How well do you think current COVID-19 vaccines are in preventing you from being hospitalized if you were to become sick with COVID-19?
34	34	NN05 Which of the following statements do you believe is most important to continue into 2022?
35	35	NN07 If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Summary Of Rank 1
36	36	NN07 If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Summary Of Rank 2

Page	Table	Title
37	37	NN07 If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Summary Of Rank 3
38	38	NN07 If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Summary Of Rank 4
39	39	NN07_1 If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Shutting down major events like sporting events and concerts
40	40	NN07_2 If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Closing bars, restaurants, gyms, and other public venues
41	41	NN07_3 If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Moving schools to remote learning
42	42	NN07_4 If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Enforcing mask mandates and expanding testing, but otherwise keeping everything open
43	43	NN08 Last week, the CDC overhauled its guidelines, saying that a COVID negative test isn't required to enter public life again after the designated isolation time. Why do you believe this is the case? Please select all that apply.
44	44	NN09 Thinking ahead to the rest of 2022, do you think you will be working more hours from home or the office?
45	45	SCO3 Which of the following do you think is more important when it comes to schools during the COVID-19 pandemic?
46	46	SCO4 Generally speaking, how much do you trust the school system in your community to respond appropriately to the COVID pandemic?
47	47	SCO5 Which of the following comes closest to your point of view regarding how schools should respond to the current situation of the COVID-19 pandemic?
48	48	CT01 How concerned are you about each of following due to the COVID-19 pandemic? Summary Of Very/Somewhat Concerned
49	49	CT01 How concerned are you about each of following due to the COVID-19 pandemic? Summary Of Not At All/Not Too Concerned
50	50	CT01_1 How concerned are you about each of following due to the COVID-19 pandemic? A new wave of COVID-19 in my area
51	51	CT01_2 How concerned are you about each of following due to the COVID-19 pandemic? Losing your job due to the pandemic
52	52	CT01_3 How concerned are you about each of following due to the COVID-19 pandemic? You or your loved one's risk of being exposed to COVID-19 when you leave your home for essential errands
53	53	CT01_4 How concerned are you about each of following due to the COVID-19 pandemic? Returning to my normal activities in public (e.g., public transit, socializing)
54	54	CT01_5 How concerned are you about each of following due to the COVID-19 pandemic? Potential shortage of hospital ventilators for assisted breathing
55	55	CT01_6 How concerned are you about each of following due to the COVID-19 pandemic? Potential side effects of COVID vaccine
56	56	CT01_7 How concerned are you about each of following due to the COVID-19 pandemic? New variants of COVID-19
57	57	BID3 How much stress would you say recent political turmoil is causing you personally?
58	58	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Top 2 Box
59	59	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Bottom 2 Box
60	60	RTN01_1 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Shop in a store without a mask
61	61	RTN01_2 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Visit with family or friends without a mask
62	62	RTN01_3 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Fly on a plane
63	63	RTN01_4 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Stay in a hotel
64	64	RTN01_5 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Attend a large concert or sporting event
65	65	RTN01_6 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Go to an indoor party
66	66	RTN01_7 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Take public transportation
67	67	RTN01_8 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Go out for dinner or drinks indoors
68	68	RTN01_9 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Socializing with people you don't know at a bar

Page Table Title

69	69	RTN02	At the moment, do you approve or disapprove of how the distribution of the COVID-19 vaccine is being handled here in the U.S.?
70	70	CFP03	Do you believe the worst of COVID-19 is behind us or is the worst still ahead of us?
71	71	CAL2	Generally speaking, do you think the distribution of the COVID-19 vaccine here in the U.S. is going too slowly, too quickly, or about right?
72	72	EMP05	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Summary Of Yes
73	73	EMP05_1	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Missed (or will soon miss) a rent/mortgage payment
74	74	EMP05_2	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Missed (or will soon miss) a bill payment
75	75	EMP05_3	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Provided financial support for a family member
76	76	EMP05_4	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Provided financial support for a friend
77	77	EMP05_5	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Sought out new or additional sources of income
78	78	EMP05_6	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Lost income partially
79	79	EMP05_7	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Lost income entirely
80	80	EMP05_8	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Accumulated more debt than normal
81	81	EMP05_9	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Stopped or cut back on retirement savings
82	82	EMP05_10	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Stopped or cut back on other savings (e.g., college tuition, a major purchase, such as a house or care)
83	83	EMP05_11	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Paid for services that I haven't used (e.g., a dog walker, childcare, a house cleaning service)
84	84	EMP05_14	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? Lost access to my health insurance
85	85	EMP05_12	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? I have been impacted financially in some other way
86	86	EMP05_13	As a result of the current pandemic, have you or your household been impacted financially in any of the following ways? I have not been impacted financially
87	87	REV01	Are you planning any major purchases once things return to normal? Please select all that apply.
88	88	REV01	Are you planning any major purchases once things return to normal? Please select all that apply.
89	89	REV01A	Which of the following items are you planning to purchase once things return to normal? Please select all that apply.
90	90	REV01A	Which of the following items are you planning to purchase once things return to normal? Please select all that apply.
91	91	Q18	Which of the following is true for you?
92	92	Q21	Which of the following is closest to your view of people's reaction to the coronavirus (COVID-19) outbreak?
93	93	FR01	Have you felt any of the following recently due to the COVID-19 pandemic? Summary Of Yes
94	94	FR01_1	Have you felt any of the following recently due to the COVID-19 pandemic? Cabin fever- bored and sick of being in my home
95	95	FR01_2	Have you felt any of the following recently due to the COVID-19 pandemic? Claustrophobic- unable to escape my home
96	96	FR01_3	Have you felt any of the following recently due to the COVID-19 pandemic? Grateful- for the break from work to be at home with my family or by myself
97	97	FR01_4	Have you felt any of the following recently due to the COVID-19 pandemic? Appreciative- to be around people I truly care about
98	98	FR01_5	Have you felt any of the following recently due to the COVID-19 pandemic? Compassionate- taking the time to check in with the people I care about
99	99	FR01_6	Have you felt any of the following recently due to the COVID-19 pandemic? Lonely- feeling isolated from my friends/family
100	100	FR01_7	Have you felt any of the following recently due to the COVID-19 pandemic? Overwhelmed- trying to balance work at home and other needs of my family
101	101	FR01_8	Have you felt any of the following recently due to the COVID-19 pandemic? Angry- upset that I don't know when this will end
102	102	FR01_9	Have you felt any of the following recently due to the COVID-19 pandemic? Annoyed- by lack of personal space and the inability to get away from my family
103	103	FR01_10	Have you felt any of the following recently due to the COVID-19 pandemic? Fear- that my kids are missing out on learning
104	104	FR01_11	Have you felt any of the following recently due to the COVID-19 pandemic? Thankful - for the sacrifices that the American people have made for coronavirus

CES04 Tech companies invest millions in their latest products for what they believe is the "next big thing," which is augmented (AR) and virtual reality (VR) systems such as the metaverse. How much do you agree or disagree that AR and VR is actually what tech consumers want?

Fielding Period: March 14, 2020 - January 09, 2022

COVID-19

Weighted To The U.S. General Adult Population - Propensity

Page Table Title

1	1	VCE1a Which of the following applies to you regarding the COVID-19 vaccine?
2	2	VCE1b Which of the following best describes your mindset to getting the COVID-19 vaccine in the future?
3	3	CR10 Reflecting on last year's Capitol Building riots, how concerned are you that a similar event could occur again in the future?
4	4	CR11 Generally speaking, how many people in your community do you believe have extreme domestic views and policy ideas?
5	5	CR12A In hindsight, how significant of a moment in history do you believe January 6th is?
6	6	CR13A At the moment, how strong or weak do you think democracy is here in the U.S.?
7	7	CR14A How trustworthy do you believe the Department of Justice will be in holding all of those accountable in the planning and execution of the Capitol Building riots?
8	8	CR08 Reflecting back on the Capitol Building riots on January 6, 2021, which of the following would you say best describes what the events mean to America moving forward? Please select all that apply.
9	9	CR15A How would you best describe the events that happened at the U.S. Capitol Building on January 6, 2021? Please select all that apply.
10	10	CR16A Looking back, do you think America has become more divided or more united since January 6, 2021?
11	11	CR17A Do you think the 2020 Presidential Election was a free and fair election where the votes were accurately counted, or do you think there was substantial voter fraud that altered the outcome?
12	12	CR18A Do you think social media companies have done a good job or a poor job in helping to fight misinformation and extremist views on their platform since January 6, 2021?
13	13	CES02 How little or much do you follow news about the latest tech trends and developments like electric vehicles, virtual reality, smart home technology, health wearables, etc.
14	14	CES03 Much of the latest tech advancements requires accessing personal data, such as with health wearables and smart home technology. How much do you trust tech companies to keep your data information secure and private?
15	15	CES04 Tech companies invest millions in their latest products for what they believe is the "next big thing," which is augmented (AR) and virtual reality (VR) systems such as the metaverse. How much do you agree or disagree that AR and VR is actually what tech consumers want?
16	16	CES05 What innovations do you think tech companies should be focusing on? Please select all that apply.
17	17	CES06 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Summary Of Very/Somewhat Interested
18	18	CES06 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Summary Of Not At All/Not Too Interested
19	19	CES06_1 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Electric vehicles
20	20	CES06_2 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Virtual reality headsets and hardware
21	21	CES06_3 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Virtual reality goods such as clothing, real estate, etc
22	22	CES06_4 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Augmented reality systems
23	23	CES06_5 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Health tracking and wearable tech
24	24	CES06_6 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Smart home tech (e.g., lightbulbs, smart appliances, home security)
25	25	CES06_7 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? OLED televisions
26	26	CES06_8 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? Personal technology (e.g., phones, tablets, computers)
27	27	CES06_9 Of the latest tech trends predicted for 2022, how interested are you in purchasing any of these products? NFTs, cryptocurrency
28	28	CES07 What comes closest to your purchasing habits for cutting edge tech items?
29	29	CES08 An upcoming idea is Web3/Web 3.0, a new iteration of the World Wide Web that would incorporate decentralization based on blockchains. How much have you heard, read, or seen about it?
30	30	NN01 As new variants emerge and COVID-19 cases climb, do you believe that the virus is now a part of daily life and it will last in some form, or do you think it will eventually be eradicated and no longer a cause of concern?
31	31	NN02 Who do you think is most responsible in causing the virus to become part of daily life?
32	32	NN03 How likely do you believe another serious variant, similar to Delta and Omicron, will surface in the U.S. in 2022?
33	33	NN04 How well do you think current COVID-19 vaccines are in preventing you from being hospitalized if you were to become sick with COVID-19?
34	34	NN05 Which of the following statements do you believe is most important to continue into 2022?
35	35	NN07 If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Summary Of Rank 1
36	36	NN07 If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Summary Of Rank 2

Fielding Period: March 14, 2020 - January 09, 2022

	Page	Table	Title
37	37	NN07	If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Summary Of Rank 3
38	38	NN07	If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Summary Of Rank 4
39	39	NN07_1	If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Shutting down major events like sporting events and concerts
40	40	NN07_2	If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Closing bars, restaurants, gyms, and other public venues
41	41	NN07_3	If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Moving schools to remote learning
42	42	NN07_4	If there is another surge of COVID cases in the future, what do you think are the most important priorities for society in containing the spread? Please rank from most to least important. Enforcing mask mandates and expanding testing, but otherwise keeping everything open
43	43	NN08	Last week, the CDC overhauled its guidelines, saying that a COVID negative test isn't required to enter public life again after the designated isolation time. Why do you believe this is the case? Please select all that apply.
44	44	NN09	Thinking ahead to the rest of 2022, do you think you will be working more hours from home or the office?
45	45	SCO3	Which of the following do you think is more important when it comes to schools during the COVID-19 pandemic?
46	46	SCO4	Generally speaking, how much do you trust the school system in your community to respond appropriately to the COVID pandemic?
47	47	SCO5	Which of the following comes closest to your point of view regarding how schools should respond to the current situation of the COVID-19 pandemic?
48	48	CT01	How concerned are you about each of following due to the COVID-19 pandemic? Summary Of Very/Somewhat Concerned
49	49	CT01	How concerned are you about each of following due to the COVID-19 pandemic? Summary Of Not At All/Not Too Concerned
50	50	CT01_1	How concerned are you about each of following due to the COVID-19 pandemic? A new wave of COVID-19 in my area
51	51	CT01_2	How concerned are you about each of following due to the COVID-19 pandemic? Losing your job due to the pandemic
52	52	CT01_3	How concerned are you about each of following due to the COVID-19 pandemic? You or your loved one's risk of being exposed to COVID-19 when you leave your home for essential errands
53	53	CT01_4	How concerned are you about each of following due to the COVID-19 pandemic? Returning to my normal activities in public (e.g., public transit, socializing)
54	54	CT01_5	How concerned are you about each of following due to the COVID-19 pandemic? Potential shortage of hospital ventilators for assisted breathing
55	55	CT01_6	How concerned are you about each of following due to the COVID-19 pandemic? Potential side effects of COVID vaccine
56	56	CT01_7	How concerned are you about each of following due to the COVID-19 pandemic? New variants of COVID-19
57	57	BID3	How much stress would you say recent political turmoil is causing you personally?
58	58	RTN01	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Top 2 Box
59	59	RTN01	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Bottom 2 Box
60	60	RTN01_1	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Shop in a store without a mask
61	61	RTN01_2	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Visit with family or friends without a mask
62	62	RTN01_3	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Fly on a plane
63	63	RTN01_4	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Stay in a hotel
64	64	RTN01_5	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Attend a large concert or sporting event
65	65	RTN01_6	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Go to an indoor party
66	66	RTN01_7	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Take public transportation
67	67	RTN01_8	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Go out for dinner or drinks indoors
68	68	RTN01_9	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Socializing with people you don't know at a bar
