45	45	J12 How much merit (i.e., value or worth) do you believe there is to President Trump's claims of voter fraud in the 2020 presidential election?
46	46	J13 How confident are you in each of the following in the year ahead? Summary Of Very/Somewhat Confident
47	47	J13 How confident are you in each of the following in the year ahead? Summary Of Not At All/Not Very Confident
48	48	J13_1 How confident are you in each of the following in the year ahead? The economy being restored
49	49	J13_2 How confident are you in each of the following in the year ahead? Getting a new stimulus bill approved for unemployment benefits
50	50	S01 How much of an impact do you think the 2020 presidential election results will have on how brands/companies speak out publicly?
51	51	S02 After the 2020 presidential election, do you expect brands/companies to be more outspoken, less outspoken, or no more or less outspoken?
52	52	J14 When, if at all, do you think life will return to some semblance of normal?
53	53	J15 Which of the following are among the first things you'll do when COVID-19 is under control and it's safe to resume public activities? Please select all that apply.
54	54	J16 How has the COVID-19 pandemic impacted your travel? Please select all that apply.
55	55	S03 How important do you believe it will be for brands/companies to gear public messages or slogans towards "unity"?
56	56	S04 Do you think non-essential businesses should shut down again if cases of COVID-19 continue to rise?
57	57	S05 Now that we are 8 months into the COVID-19 pandemic, which of the following type(s) of businesses do you consider essential? Please select all that apply.
59	58	S06 If the U.S. was to impose another lockdown, how likely do you think it is that each of the following will happen to you? Summary Of Very/Somewhat Likely
60	59	S06 If the U.S. was to impose another lockdown, how likely do you think it is that each of the following will happen to you? Summary Of Not At All/Not Very Likely
61	60	S06_1 If the U.S. was to impose another lockdown, how likely do you think it is that each of the following will happen to you? Keep my current job
62	61	S06_2 If the U.S. was to impose another lockdown, how likely do you think it is that each of the following will happen to you? Be fired/furloughed from my current job
63	62	S07 How prepared do you think the U.S. is to deal with a second wave of COVID-19 this winter?
64	63	J17 How much do you agree or disagree with each of the following statements? Summary Of Strongly/Somewhat Agree
65	64	J17 How much do you agree or disagree with each of the following statements? Summary Of Strongly/Somewhat Disagree
66	65	J17_1 How much do you agree or disagree with each of the following statements? These days, I am spending too much time looking at screens and am tuning out digital ads.
67	66	J17_2 How much do you agree or disagree with each of the following statements? I'm tired of cooking meals at home and wish there were more outdoor dining offerings.
68	67	J17_3 How much do you agree or disagree with each of the following statements? I try to get out of the house as often as I can, even if it's just for a drive or a walk around town.
69	68	J17_4 How much do you agree or disagree with each of the following statements? I've been trying to find safe outdoor activities to spend my time.
70	69	J17_5 How much do you agree or disagree with each of the following statements? I try to find new places to work from home or spend time, such as an outdoor park, outdoor coffee shop, or friend's patio.
71	70	CFP03 Do you believe the worst of COVID-19 is behind us or is the worst still ahead of us?
72	71	SRV01 Do you believe that states should conduct their own review process of coronavirus vaccines even if the vaccine is approved by the FDA?
73	72	LI05X How likely are you to get a COVID-19 vaccine as soon as it becomes available?
74	73	VAC01 How likely would you be to get your child(ren) a COVID-19 vaccine once it becomes available?
75	74	VAC03 How confident are you the federal government's approval of a COVID-19 vaccine will not be motivated or influenced by politics?
76	75	P01 Are you aware of recent news about the effectiveness of Pfizer's COVID-19 vaccine?
77	76	P02 Based on news that Pfizer's coronavirus is 90% effective, how much do you agree or disagree with each of the following statements? Summary Of Strongly/Somewhat Agree

Fielding Period: March 14 - November 13, 2020

COVID-19
 Weighted To The U.S. General Adult Population - Propensity
 Page Table Title

78	77	P02 Based on news that Pfizer's coronavirus is 90% effective, how much do you agree or disagree with each of the following statements? Summary Of Strongly/Somewhat Disagree
79	78	P02_1 Based on news that Pfizer's coronavirus is 90% effective, how much do you agree or disagree with each of the following statements? I am confident that the U.S. Food & Drug Administration (FDA) will only approve a COVID-19 vaccine if it is safe.
80	79	P02_2 Based on news that Pfizer's coronavirus is 90% effective, how much do you agree or disagree with each of the following statements? I worry that the vaccine approval process is being driven more by politics than by science.
81	80	P02_3 Based on news that Pfizer's coronavirus is 90% effective, how much do you agree or disagree with each of the following statements? If a COVID-19 vaccine is approved quickly, I would worry about how safe it is.
82	81	P02_4 Based on news that Pfizer's coronavirus is 90% effective, how much do you agree or disagree with each of the following statements? All Americans should get the COVID-19 vaccine
83	82	P02_5 Based on news that Pfizer's coronavirus is 90% effective, how much do you agree or disagree with each of the following statements? Pfizer's COVID-19 vaccine is safe
84	83	P02_6 Based on news that Pfizer's coronavirus is 90% effective, how much do you agree or disagree with each of the following statements? Pfizer's COVID-19 vaccine is effective
85	84	P02_7 Based on news that Pfizer's coronavirus is 90% effective, how much do you agree or disagree with each of the following statements? Other COVID-19 vaccines will be safe
86	85	P02_8 Based on news that Pfizer's coronavirus is 90% effective, how much do you agree or disagree with each of the following statements? Other COVID-19 vaccine will be effective
87	86	P03 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Summary Of Much/Somewhat More Likely
88	87	P03 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Summary Of Much/Somewhat Less Likely
89	88	P03_1 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Wear a mask
90	89	P03_2 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Practice social distancing (e.g. stay 6 feet apart from others)
91	90	P03_3 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Meet in-person with friends or family
92	91	P03_4 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Attend a large group event
93	92	P03_5 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Get the coronavirus vaccine once it is available
94	93	P03_6 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Get a flu shot
95	94	P03_7 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Get tested for coronavirus
96	95	P03_8 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Recommend getting tested for coronavirus to people I know
97	96	P03_9 Based on news that Pfizer's COVID-19 vaccine is 90% effective, are you more or less likely to do the following? Recommend getting the coronavirus vaccine to people I know
98	97	P06 How, if at all, has your view of each of the following changed as a result of news that the Pfizer COVID-19 vaccine is 90% effective? Summary Of More Positive
99	98	P06 How, if at all, has your view of each of the following changed as a result of news that the Pfizer COVID-19 vaccine is 90% effective? Summary Of More Negative
100	99	P06 How, if at all, has your view of each of the following changed as a result of news that the Pfizer COVID-19 vaccine is 90% effective? Summary Of Unchanged
101	100	P06_1 How, if at all, has your view of each of the following changed as a result of news that the Pfizer COVID-19 vaccine is 90% effective? View of pharmaceutical industry as a whole
102	101	P06_2 How, if at all, has your view of each of the following changed as a result of news that the Pfizer COVID-19 vaccine is 90% effective? View of Pfizer
103	102	P06_3 How, if at all, has your view of each of the following changed as a result of news that the Pfizer COVID-19 vaccine is 90% effective? View of other leading pharma companies working on a COVID-19 vaccine
104	103	P06_4 How, if at all, has your view of each of the following changed as a result of news that the Pfizer COVID-19 vaccine is 90% effective? View of the U.S. Food & Drug Administration (FDA)
105	104	P06_5 How, if at all, has your view of each of the following changed as a result of news that the Pfizer COVID-19 vaccine is 90% effective? View of the COVID-19 vaccine development process
106	105	P06_6 How, if at all, has your view of each of the following changed as a result of news that the Pfizer COVID-19 vaccine is 90% effective? View of the COVID-19 vaccine approval process
107	106	P06_7 How, if at all, has your view of each of the following changed as a result of news that the Pfizer COVID-19 vaccine is 90% effective? View of the federal government
108	107	P04 With news of an effective vaccine on the way how optimistic are you that we will return to normal sooner rather than later?
109	108	P05 Now that we know there's an effective vaccine in development, if everyone could verify they were vaccinated before attending a public event, would you feel safe going to the following public events/places? Summary Of Very/Somewhat Safe
