

Q1001: How many people have used each of the following categories of consumer products? (i.e., products that contain the active ingredient)

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various product categories like Aspirin, Tylenol, and Ibuprofen.

\*Tabulation: UNWEIGHTED

Q1012: Which of the following best describes your use of each of the following categories of consumer products? (i.e., products that contain the active ingredient)

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various product categories with usage frequency options like 'Daily' and 'Occasionally'.

\*Tabulation: UNWEIGHTED

Q1013: Which of the following are reasons you have used or are interested in using consumer products? (i.e., products that contain the active ingredient) Please check all that apply.

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various reasons for using products such as 'To relieve pain' and 'To improve health'.

\*Tabulation: UNWEIGHTED

Q1014: Which of the following are reasons you have used or are interested in using consumer products? (i.e., products that contain the active ingredient) Please check all that apply.

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various reasons for using products such as 'To improve health' and 'To relieve pain'.

\*Tabulation: UNWEIGHTED

Q1015: Compared to before the COVID-19 pandemic (i.e., before March 2020), are you currently using consumer products? (i.e., products that contain the active ingredient) more often, less often, or about the same amount?

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and usage frequency options like 'More often' and 'Less often'.

\*Tabulation: UNWEIGHTED

Q1016: How much do you agree or disagree with each of the following statements?

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various statements related to product usage and health.

\*Tabulation: UNWEIGHTED

Q1017: How much do you agree or disagree with each of the following statements?

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various statements related to product usage and health.

\*Tabulation: UNWEIGHTED

Q1018: How much do you agree or disagree with each of the following statements?

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various statements related to product usage and health.

\*Tabulation: UNWEIGHTED

Q1019: How much do you agree or disagree with each of the following statements?

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various statements related to product usage and health.

\*Tabulation: UNWEIGHTED

Q1020: How much do you agree or disagree with each of the following statements?

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various statements related to product usage and health.

\*Tabulation: UNWEIGHTED

Q1021: How much do you agree or disagree with each of the following statements?

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various statements related to product usage and health.

\*Tabulation: UNWEIGHTED

Q1022: How much do you agree or disagree with each of the following statements?

Table with columns: Gender, Age, and Region. Rows include Total, Total (unweighted), and various statements related to product usage and health.

\*Tabulation: UNWEIGHTED

Q1001: How many of you have used the current legislation about cannabis or cannabis products (i.e., products that contain THC or CBD) in your life?

130211 - 100% PLAN (31 MAR)

Q1210 - Report on what you have, and the current legislation of all candidate products (i.e., products that contain TEC or CRP) in your plan?

Table with 12 columns: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015. Rows include: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1211 - Which of the following best describe your use of candidate products (i.e., products that contain TEC or CRP)?

Table similar to Q1210, showing usage of candidate products. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1212 - Which of the following best describe your use of candidate products (i.e., products that contain TEC or CRP) if you are currently using any?

Table similar to Q1210, showing usage of candidate products if currently used. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1213 - Which of the following best describe your use of candidate products (i.e., products that contain TEC or CRP) if you are not currently using any?

Table similar to Q1210, showing usage of candidate products if not currently used. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1214 - Compared to before the COVID-19 pandemic (i.e., before March 2020), are you currently using candidate products (i.e., products that contain TEC or CRP) more often, less often, or about the same amount?

Table similar to Q1210, showing usage of candidate products compared to before COVID-19. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1215 - How much do you agree or disagree with each of the following statements?

Table similar to Q1210, showing agreement with statements. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1216 - How much do you agree or disagree with each of the following statements?

Table similar to Q1210, showing agreement with statements. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1217 - How much do you agree or disagree with each of the following statements?

Table similar to Q1210, showing agreement with statements. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1218 - How much do you agree or disagree with each of the following statements?

Table similar to Q1210, showing agreement with statements. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1219 - How much do you agree or disagree with each of the following statements?

Table similar to Q1210, showing agreement with statements. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1220 - How much do you agree or disagree with each of the following statements?

Table similar to Q1210, showing agreement with statements. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1221 - How much do you agree or disagree with each of the following statements?

Table similar to Q1210, showing agreement with statements. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.

Q1222 - How much do you agree or disagree with each of the following statements?

Table similar to Q1210, showing agreement with statements. Includes categories like: Total, Total Discontinued, Total Available, Any current stage, Current medical stage, Current investigational stage, Previously used, but is not currently used, Not used since March 2015, and Not used before March 2015.
