Fielding Period: March 14, 2020 - February 13, 2022

COVID-19  
Weighted To The U.S. General Adult Population - Propensity

	Page	Table	Title
1	1	VCE1a	Which of the following applies to you regarding the COVID-19 vaccine?
2	2	VCE1b	Which of the following best describes your mindset to getting the COVID-19 vaccine in the future?
3	3	NN01	As new variants emerge and COVID-19 cases climb, do you believe that the virus is now a part of daily life and it will last in some form, or do you think it will eventually be eradicated and no longer a cause of concern?
4	4	NN03	How likely do you believe another serious variant, similar to Delta and Omicron, will surface in the U.S. in 2022?
5	5	MW01	Recently, many states have begun lifting their indoor mask mandates for businesses and schools. How much do you agree or disagree that it's the right time to lift indoor mask mandates?
6	6	MW02	How likely are you to keep wearing a mask now that indoor mask mandates are ending?
7	7	MW03	Why are you unlikely to wear a mask now that states are lifting mask mandates? Please select all that apply.
8	8	MW04	Why are you likely to keep wearing a mask now that states are lifting mask mandates? Please select all that apply.
9	9	MW05	How concerned are you about the following statements now that states are lifting indoor mask mandates? Summary Of Very/Somewhat Concerned
10	10	MW05	How concerned are you about the following statements now that states are lifting indoor mask mandates? Summary Of Not At All/Not Too Concerned
11	11	MW05_1	How concerned are you about the following statements now that states are lifting indoor mask mandates? A rise in cases that will overwhelm hospitals
12	12	MW05_2	How concerned are you about the following statements now that states are lifting indoor mask mandates? Another variant like Omicron or Delta spreading across the U.S
13	13	MW05_3	How concerned are you about the following statements now that states are lifting indoor mask mandates? The health of my children in schools where masks will now be optional
14	14	MW05_4	How concerned are you about the following statements now that states are lifting indoor mask mandates? Increased health risk for public-facing employees being around unmasked customers
15	15	MW05_5	How concerned are you about the following statements now that states are lifting indoor mask mandates? Myself or my family catching COVID-19 now
16	16	SWD01	In general how much of the safety guidelines for COVID-19 have you been following?
17	17	SWD02	Compared to a couple of months ago, would you say you are following more, less or the same amount of safety guidelines for COVID-19 now?
18	18	MW06	Which of the following best describes your mask wearing habits?
19	19	ANA06	If you were to go back to the office, would you... Summary Of Yes
20	20	ANA06	If you were to go back to the office, would you... Summary Of No
21	21	ANA06_1	If you were to go back to the office, would you... Wear a mask all the time
22	22	ANA06_2	If you were to go back to the office, would you... Wear a mask only while interacting with others, but not when I'm alone
23	23	ANA06_3	If you were to go back to the office, would you... Expect everyone else to wear a mask at all time
24	24	MW07	How likely are you to wear a mask in the following situations? Summary Of Very/Somewhat Likely
25	25	MW07	How likely are you to wear a mask in the following situations? Summary Of Not At All/Not Too Likely
26	26	MW07_1	How likely are you to wear a mask in the following situations? If the friends and family I am spending time with are wearing one
27	27	MW07_2	How likely are you to wear a mask in the following situations? If the majority of the strangers around me in public are wearing one
28	28	MW07_3	How likely are you to wear a mask in the following situations? If I don't know the vaccination status of those around me
29	29	MW08	Which of the following best describes how you think about individuals voluntarily wearing masks indoors when it is not required?
30	30	MW09	When you are out in public, such as at the grocery store or shopping mall, do you assume unmasked customers are vaccinated or unvaccinated?
31	31	RTW01	As of today, are you still working from home for your job?
32	32	EB01	Generally speaking, how would you rate the benefits offered by your employer?
33	33	EB02	Which of the following benefits does your employer currently provide? Please select all that apply.
34	34	EB03	Which of the following benefits has your employer introduced within the last 6 months? Please select all that apply.
35	35	EB04	When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Summary Of Very/Somewhat Important
36	36	EB04	When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Summary Of Not At All/Not Too Important
37	37	EB04_1	When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Free food, coffee, and other snacks in the office
38	38	EB04_2	When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Health and wellness stipend

Page Table Title

69	69	MH18 Did you participate in any of the mental health services that your employer offered?
70	70	MH19 Do you think mental health services offered by employers are beneficial?
71	71	MH20 Which of the following do you agree with more? When it comes to mental health services, I wish my employer would...
72	72	PR10 Which one of the following best describes your workplace?
73	73	OLY9 As you may know, the Olympic medal ceremony in team figure skating has been delayed because a member of the tentative gold winning Russian Olympic Committee (ROC) team failed a doping test. How much have you read, seen, or heard about this?
74	74	OLY10 It has been reported that the athlete in question is 15-year-old Kamila Valieva. The potential punishment for minor athletes is a reprimand and a maximum of a two-year ban. Which of the following comes closest to your belief?
75	75	OLY11 How much do you agree or disagree that the Russian Olympic Committee should be stripped of their team gold medal?
76	76	OLY12 How much do you agree or disagree with the following statements? Summary Of Strongly/Somewhat Agree
77	77	OLY12 How much do you agree or disagree with the following statements? Summary Of Strongly/Somewhat Disagree
78	78	OLY12_1 How much do you agree or disagree with the following statements? Even if Valieva didn't know she was taking a banned substance, she still needs to be banned as a lesson and to prevent future doping of minor athletes
79	79	OLY12_2 How much do you agree or disagree with the following statements? I'm not surprised that it was the ROC that had the latest doping scandal
80	80	OLY12_3 How much do you agree or disagree with the following statements? Only steroids should be banned, the rest of the medications, like what Valieva took, don't make a difference
81	81	OLY12_4 How much do you agree or disagree with the following statements? Doping is still prevalent across the Olympics, but athletes are just better at getting away with
82	82	RC3 Do you believe there is systematic racism in America?
83	83	RC4 Would you say you agree or disagree that this moment in the racial equality movement "feels different" than it has in the past?
84	84	RC5 Which of the following describes why you feel this moment in the racial equality movement "feels different"? Please select all that apply.
85	85	CT01 How concerned are you about each of the following due to the COVID-19 pandemic? Summary Of Very/Somewhat Concerned
86	86	CT01 How concerned are you about each of the following due to the COVID-19 pandemic? Summary Of Not At All/Not Too Concerned
87	87	CT01_1 How concerned are you about each of the following due to the COVID-19 pandemic? A new wave of COVID-19 in my area
88	88	CT01_2 How concerned are you about each of the following due to the COVID-19 pandemic? Losing your job due to the pandemic
89	89	CT01_3 How concerned are you about each of the following due to the COVID-19 pandemic? You or your loved one's risk of being exposed to COVID-19 when you leave your home for essential errands
90	90	CT01_4 How concerned are you about each of the following due to the COVID-19 pandemic? Returning to my normal activities in public (e.g., public transit, socializing)
91	91	CT01_5 How concerned are you about each of the following due to the COVID-19 pandemic? Potential shortage of hospital staff and equipment
92	92	CT01_6 How concerned are you about each of the following due to the COVID-19 pandemic? Potential side effects of COVID vaccine
93	93	CT01_7 How concerned are you about each of the following due to the COVID-19 pandemic? New variants of COVID-19
94	94	CT01_8 How concerned are you about each of the following due to the COVID-19 pandemic? Being exposed to COVID through unvaccinated individuals
95	95	CT01_9 How concerned are you about each of the following due to the COVID-19 pandemic? COVID becoming endemic as too many individuals remain unvaccinated
96	96	BID3 How much stress would you say recent political turmoil is causing you personally?
97	97	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Top 2 Box
98	98	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Bottom 2 Box
99	99	RTN01_1 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Shop in a store without a mask
100	100	RTN01_2 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Visit with family or friends without a mask
101	101	RTN01_3 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Fly on a plane
102	102	RTN01_4 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Stay in a hotel
103	103	RTN01_5 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Attend a large concert or sporting event

Weighted To The U.S. General Adult Population - Propensity

Page Table Title

104	104	RTN01_6	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Go to an indoor party
105	105	RTN01_7	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Take public transportation
106	106	RTN01_8	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Go out for dinner or drinks indoors
107	107	RTN01_9	Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Socializing with people you don't know at a bar
108	108	RTN02	At the moment, do you approve or disapprove of how the distribution of the COVID-19 vaccine is being handled here in the U.S.?
109	109	CFP03	Do you believe the worst of COVID-19 is behind us or is the worst still ahead of us?
110	110	CAL2	Generally speaking, do you think the distribution of the COVID-19 vaccine here in the U.S. is going too slowly, too quickly, or about right?
111	111	REV01	Are you planning any major purchases once things return to normal? Please select all that apply.
112	112	REV01	Are you planning any major purchases once things return to normal? Please select all that apply.
113	113	REV01A	Which of the following items are you planning to purchase once things return to normal? Please select all that apply.
114	114	REV01A	Which of the following items are you planning to purchase once things return to normal? Please select all that apply.
115	115	Q18	Which of the following is true for you?
116	116	Q21	Which of the following is closest to your view of people's reaction to the coronavirus (COVID-19) outbreak?
117	117	FR05	How much would you say you miss each of the following during this time of virus-related restrictions? Summary Of A Lot/Somewhat
118	118	FR05	How much would you say you miss each of the following during this time of virus-related restrictions? Summary Of Not At All/Not Very
119	119	FR05_1	How much would you say you miss each of the following during this time of virus-related restrictions? Traveling on an airplane
120	120	FR05_2	How much would you say you miss each of the following during this time of virus-related restrictions? Going to a movie theatre
121	121	FR05_3	How much would you say you miss each of the following during this time of virus-related restrictions? Shopping in stores
122	122	FR05_4	How much would you say you miss each of the following during this time of virus-related restrictions? Working from the office
123	123	FR05_5	How much would you say you miss each of the following during this time of virus-related restrictions? Attending events like concerts, theatre and sporting events
124	124	FR05_6	How much would you say you miss each of the following during this time of virus-related restrictions? Dining out at a restaurant
125	125	FR05_8	How much would you say you miss each of the following during this time of virus-related restrictions? Gatherings with friends and family
126	126	FR05_9	How much would you say you miss each of the following during this time of virus-related restrictions? Going to church
127	127	FR05_10	How much would you say you miss each of the following during this time of virus-related restrictions? Going to school or university
128	128	FR05_13	How much would you say you miss each of the following during this time of virus-related restrictions? Going to the gym/work out class
129	129	FR05_14	How much would you say you miss each of the following during this time of virus-related restrictions? Going to a social gathering
130	130	FR05_15	How much would you say you miss each of the following during this time of virus-related restrictions? Going to my local coffee shop
131	131	FR05_16	How much would you say you miss each of the following during this time of virus-related restrictions? In person celebrations (e.g., birthdays, graduations)
132	132	Q36A	Would you say we are in a global recession due to the coronavirus outbreak?

VCE1a Which of the following applies to you regarding the COVID-19 vaccine?

Weighted To The U.S. General Adult Population - Propensity

Page Table Title

1	1	VCE1a Which of the following applies to you regarding the COVID-19 vaccine?
2	2	VCE1b Which of the following best describes your mindset to getting the COVID-19 vaccine in the future?
3	3	NN01 As new variants emerge and COVID-19 cases climb, do you believe that the virus is now a part of daily life and it will last in some form, or do you think it will eventually be eradicated and no longer a cause of concern?
4	4	NN03 How likely do you believe another serious variant, similar to Delta and Omicron, will surface in the U.S. in 2022?
5	5	MW01 Recently, many states have begun lifting their indoor mask mandates for businesses and schools. How much do you agree or disagree that it's the right time to lift indoor mask mandates?
6	6	MW02 How likely are you to keep wearing a mask now that indoor mask mandates are ending?
7	7	MW03 Why are you unlikely to wear a mask now that states are lifting mask mandates? Please select all that apply.
8	8	MW04 Why are you likely to keep wearing a mask now that states are lifting mask mandates? Please select all that apply.
9	9	MW05 How concerned are you about the following statements now that states are lifting indoor mask mandates? Summary Of Very/Somewhat Concerned
10	10	MW05 How concerned are you about the following statements now that states are lifting indoor mask mandates? Summary Of Not At All/Not Too Concerned
11	11	MW05_1 How concerned are you about the following statements now that states are lifting indoor mask mandates? A rise in cases that will overwhelm hospitals
12	12	MW05_2 How concerned are you about the following statements now that states are lifting indoor mask mandates? Another variant like Omicron or Delta spreading across the U.S
13	13	MW05_3 How concerned are you about the following statements now that states are lifting indoor mask mandates? The health of my children in schools where masks will now be optional
14	14	MW05_4 How concerned are you about the following statements now that states are lifting indoor mask mandates? Increased health risk for public-facing employees being around unmasked customers
15	15	MW05_5 How concerned are you about the following statements now that states are lifting indoor mask mandates? Myself or my family catching COVID-19 now
16	16	SWD01 In general how much of the safety guidelines for COVID-19 have you been following?
17	17	SWD02 Compared to a couple of months ago, would you say you are following more, less or the same amount of safety guidelines for COVID-19 now?
18	18	MW06 Which of the following best describes your mask wearing habits?
19	19	ANA06 If you were to go back to the office, would you... Summary Of Yes
20	20	ANA06 If you were to go back to the office, would you... Summary Of No
21	21	ANA06_1 If you were to go back to the office, would you... Wear a mask all the time
22	22	ANA06_2 If you were to go back to the office, would you... Wear a mask only while interacting with others, but not when I'm alone
23	23	ANA06_3 If you were to go back to the office, would you... Expect everyone else to wear a mask at all time
24	24	MW07 How likely are you to wear a mask in the following situations? Summary Of Very/Somewhat Likely
25	25	MW07 How likely are you to wear a mask in the following situations? Summary Of Not At All/Not Too Likely
26	26	MW07_1 How likely are you to wear a mask in the following situations? If the friends and family I am spending time with are wearing one
27	27	MW07_2 How likely are you to wear a mask in the following situations? If the majority of the strangers around me in public are wearing one
28	28	MW07_3 How likely are you to wear a mask in the following situations? If I don't know the vaccination status of those around me
29	29	MW08 Which of the following best describes how you think about individuals voluntarily wearing masks indoors when it is not required?
30	30	MW09 When you are out in public, such as at the grocery store or shopping mall, do you assume unmasked customers are vaccinated or unvaccinated?
31	31	RTW01 As of today, are you still working from home for your job?
32	32	EB01 Generally speaking, how would you rate the benefits offered by your employer?
33	33	EB02 Which of the following benefits does your employer currently provide? Please select all that apply.
34	34	EB03 Which of the following benefits has your employer introduced within the last 6 months? Please select all that apply.
35	35	EB04 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Summary Of Very/Somewhat Important
36	36	EB04 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Summary Of Not At All/Not Too Important
37	37	EB04_1 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Free food, coffee, and other snacks in the office
38	38	EB04_2 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Health and wellness stipend

39	39	EB04_3 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Fertility benefits (e.g., IUI/IVF, surrogacy, adoption)
40	40	EB04_4 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Tuition reimbursement
41	41	EB04_5 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Coverage for online skill-development courses
42	42	EB04_6 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Paid maternity and paternity leave
43	43	EB04_7 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Unlimited paid time off
44	44	EB04_8 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Mental health coverage
45	45	EB04_9 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Cell phone allowance
46	46	EB04_10 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Diversity and inclusion community groups
47	47	EB04_11 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Access to communal workspaces (e.g., WeWork)
48	48	EB04_12 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Workstation stipend (e.g., monitors, headphones, etc.)
49	49	EB04_13 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Ability to work remotely
50	50	EB04_14 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Sabbatical / long-term paid time off after a set number of years
51	51	EB04_15 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Subsidized childcare or onsite child day-care
52	52	EB04_16 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Caregiver days
53	53	EB04_17 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Flexible schedule
54	54	EB04_18 When considering taking a new job vs staying at your current employer, how important are the following benefits in your decision? Employer retirement contributions
55	55	EB05 Which three of the following benefits would have you most likely to seek a job elsewhere?
56	56	EB06 Which of the following fertility benefits are offered by your employer? Please select all that apply.
57	57	EB07 Generally speaking, would you prefer to have higher pay, or access to unconventional benefits such as a health & wellness stipend, sabbaticals, and unlimited time off?
58	58	EB08 For the following "unconventional" benefits, would you prefer to have your employer provide them with a slight decrease in pay or would you rather have a higher wage/salary? Summary Of Higher Pay
59	59	EB08 For the following "unconventional" benefits, would you prefer to have your employer provide them with a slight decrease in pay or would you rather have a higher wage/salary? Summary Of The Benefit
60	60	EB08_1 For the following "unconventional" benefits, would you prefer to have your employer provide them with a slight decrease in pay or would you rather have a higher wage/salary? Health and wellness stipends
61	61	EB08_2 For the following "unconventional" benefits, would you prefer to have your employer provide them with a slight decrease in pay or would you rather have a higher wage/salary? Sabbatical / long-term paid time off after a set number of years
62	62	EB08_3 For the following "unconventional" benefits, would you prefer to have your employer provide them with a slight decrease in pay or would you rather have a higher wage/salary? Unlimited paid time off
63	63	EB08_4 For the following "unconventional" benefits, would you prefer to have your employer provide them with a slight decrease in pay or would you rather have a higher wage/salary? Increased fertility benefits and coverage
64	64	EB08_5 For the following "unconventional" benefits, would you prefer to have your employer provide them with a slight decrease in pay or would you rather have a higher wage/salary? Mental health benefits outside of coverage provided by health insurer
65	65	EB08_6 For the following "unconventional" benefits, would you prefer to have your employer provide them with a slight decrease in pay or would you rather have a higher wage/salary? Childcare assistance
66	66	EB08_7 For the following "unconventional" benefits, would you prefer to have your employer provide them with a slight decrease in pay or would you rather have a higher wage/salary? Employee controlled work schedule and location (i.e., choosing to be full-time office or stay remote)
67	67	MH16 Has your company offered any mental health services during the pandemic?
68	68	MH17 What kind of mental health services did your employer offer? Please select all that apply.

Page Table Title

69	69	MH18 Did you participate in any of the mental health services that your employer offered?
70	70	MH19 Do you think mental health services offered by employers are beneficial?
71	71	MH20 Which of the following do you agree with more? When it comes to mental health services, I wish my employer would...
72	72	PR10 Which one of the following best describes your workplace?
73	73	OLY9 As you may know, the Olympic medal ceremony in team figure skating has been delayed because a member of the tentative gold winning Russian Olympic Committee (ROC) team failed a doping test. How much have you read, seen, or heard about this?
74	74	OLY10 It has been reported that the athlete in question is 15-year-old Kamila Valieva. The potential punishment for minor athletes is a reprimand and a maximum of a two-year ban. Which of the following comes closest to your belief?
75	75	OLY11 How much do you agree or disagree that the Russian Olympic Committee should be stripped of their team gold medal?
76	76	OLY12 How much do you agree or disagree with the following statements? Summary Of Strongly/Somewhat Agree
77	77	OLY12 How much do you agree or disagree with the following statements? Summary Of Strongly/Somewhat Disagree
78	78	OLY12_1 How much do you agree or disagree with the following statements? Even if Valieva didn't know she was taking a banned substance, she still needs to be banned as a lesson and to prevent future doping of minor athletes
79	79	OLY12_2 How much do you agree or disagree with the following statements? I'm not surprised that it was the ROC that had the latest doping scandal
80	80	OLY12_3 How much do you agree or disagree with the following statements? Only steroids should be banned, the rest of the medications, like what Valieva took, don't make a difference
81	81	OLY12_4 How much do you agree or disagree with the following statements? Doping is still prevalent across the Olympics, but athletes are just better at getting away with
82	82	RC3 Do you believe there is systematic racism in America?
83	83	RC4 Would you say you agree or disagree that this moment in the racial equality movement "feels different" than it has in the past?
84	84	RC5 Which of the following describes why you feel this moment in the racial equality movement "feels different"? Please select all that apply.
85	85	CT01 How concerned are you about each of the following due to the COVID-19 pandemic? Summary Of Very/Somewhat Concerned
86	86	CT01 How concerned are you about each of the following due to the COVID-19 pandemic? Summary Of Not At All/Not Too Concerned
87	87	CT01_1 How concerned are you about each of the following due to the COVID-19 pandemic? A new wave of COVID-19 in my area
88	88	CT01_2 How concerned are you about each of the following due to the COVID-19 pandemic? Losing your job due to the pandemic
89	89	CT01_3 How concerned are you about each of the following due to the COVID-19 pandemic? You or your loved one's risk of being exposed to COVID-19 when you leave your home for essential errands
90	90	CT01_4 How concerned are you about each of the following due to the COVID-19 pandemic? Returning to my normal activities in public (e.g., public transit, socializing)
91	91	CT01_5 How concerned are you about each of the following due to the COVID-19 pandemic? Potential shortage of hospital staff and equipment
92	92	CT01_6 How concerned are you about each of the following due to the COVID-19 pandemic? Potential side effects of COVID vaccine
93	93	CT01_7 How concerned are you about each of the following due to the COVID-19 pandemic? New variants of COVID-19
94	94	CT01_8 How concerned are you about each of the following due to the COVID-19 pandemic? Being exposed to COVID through unvaccinated individuals
95	95	CT01_9 How concerned are you about each of the following due to the COVID-19 pandemic? COVID becoming endemic as too many individuals remain unvaccinated
96	96	BID3 How much stress would you say recent political turmoil is causing you personally?
97	97	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Top 2 Box
98	98	RTN01 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Summary Of Bottom 2 Box
99	99	RTN01_1 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Shop in a store without a mask
100	100	RTN01_2 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Visit with family or friends without a mask
101	101	RTN01_3 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Fly on a plane
102	102	RTN01_4 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Stay in a hotel
103	103	RTN01_5 Generally speaking, how comfortable would you be to do each of the following today given the COVID-19 pandemic? Attend a large concert or sporting event
