Page	Table	Title
1	1	VCE1a Which of the following applies to you regarding the COVID-19 vaccine?
2	2	VCE1b Which of the following best describes your mindset to getting the COVID-19 vaccine in the future?
3	3	CDC139 As you may know, the Centers for Disease Control & Prevention (CDC) recently changed its guidance on COVID-19 precautions, including masking. How familiar are you with the updated guidance?
4	4	CDC140 Based on your understanding of the CDC guidance, which of the following statements are true? Summary Of True
5	5	CDC140 Based on your understanding of the CDC guidance, which of the following statements are true? Summary Of Unsure
6	6	CDC140_1 Based on your understanding of the CDC guidance, which of the following statements are true? You no longer need to wear a mask in indoor public places, regardless of where you live in the US.
7	7	CDC140_2 Based on your understanding of the CDC guidance, which of the following statements are true? You are no longer required to wear a mask on public transportation.
8	8	CDC140_3 Based on your understanding of the CDC guidance, which of the following statements are true? You no longer need to get tested if you have COVID-19 symptoms.
9	9	CDC140_4 Based on your understanding of the CDC guidance, which of the following statements are true? You no longer need to quarantine if exposed to someone with COVID-19.
10	10	CDC140_5 Based on your understanding of the CDC guidance, which of the following statements are true? You no longer need to isolate if you test positive or are sick with COVID-19.
11	11	CDC140_6 Based on your understanding of the CDC guidance, which of the following statements are true? You no longer need to wear a mask in indoor public places if the risk of COVID-19 in your community is medium or low.
12	12	CDC140_7 Based on your understanding of the CDC guidance, which of the following statements are true? Masking is no longer needed in schools where COVID-19 community risk levels are medium or low.
13	13	CDC141 As you may know, the CDC recommends mask wearing when county risk levels are high and dropping masks when they are low. How likely are you to check CDC's website to see your COVID-19 community risk level when making decisions around COVID-19 precautions, like masking?
14	14	CDC142 How much or little do public health policies or guidelines influence your COVID-19 behavior (e.g., indoor masking decisions, skipping risky COVID-19 situations)?
15	15	CDC143 Which of the following best describes your approach to wearing masks indoors?
16	16	CDC144 Which of the following influences you in deciding to wear a mask indoors in public? Please select all that apply.
17	17	CDC145 What do you see as the reason(s) why CDC has now changed its position on COVID-19 risk and masking guidance? Please select all that apply.
18	18	CDC146 How much do you agree or disagree with the following statements? Summary Of Strongly/Somewhat Agree
19	19	CDC146 How much do you agree or disagree with the following statements? Summary Of Strongly/Somewhat Disagree
20	20	CDC146_1 How much do you agree or disagree with the following statements? I support rolling back mask requirements because it's time we stop letting COVID-19 interfere with our lives.
21	21	CDC146_2 How much do you agree or disagree with the following statements? I support rolling back mask requirements because the risk of severe disease from COVID-19 is lower now.
22	22	CDC146_3 How much do you agree or disagree with the following statements? I support ending school mask requirements, even if many children are still not vaccinated.
23	23	CDC146_4 How much do you agree or disagree with the following statements? The ending of school mask requirements suggests that COVID-19 is no longer a serious threat to children.
24	24	CDC146_5 How much do you agree or disagree with the following statements? CDC's new guidance doesn't do enough to protect those who need it most, including our oldest and youngest, and those who have compromised immune systems.
25	25	CDC146_6 How much do you agree or disagree with the following statements? I am concerned the guidance doesn't go far enough to protect me or my loved ones.
26	26	CDC146_7 How much do you agree or disagree with the following statements? It's reassuring to know I can let my guard down when it comes to getting COVID-19.
27	27	CDC146_8 How much do you agree or disagree with the following statements? I plan to follow CDC's guidance and will start masking or taking other precautions again if my community risk level changes to "high" (as recommended by CDC).

CDC146_5 How much do you agree or disagree with the following statements?

CDC's new guidance doesn't do enough to protect those who need it most, including our oldest and youngest, and those who have compromised immune systems.

Page	Table	Title
1	1	VCE1a Which of the following applies to you regarding the COVID-19 vaccine?
2	2	VCE1b Which of the following best describes your mindset to getting the COVID-19 vaccine in the future?
3	3	CDC139 As you may know, the Centers for Disease Control & Prevention (CDC) recently changed its guidance on COVID-19 precautions, including masking. How familiar are you with the updated guidance?
4	4	CDC140 Based on your understanding of the CDC guidance, which of the following statements are true? Summary Of True
5	5	CDC140 Based on your understanding of the CDC guidance, which of the following statements are true? Summary Of Unsure
6	6	CDC140_1 Based on your understanding of the CDC guidance, which of the following statements are true? You no longer need to wear a mask in indoor public places, regardless of where you live in the US.
7	7	CDC140_2 Based on your understanding of the CDC guidance, which of the following statements are true? You are no longer required to wear a mask on public transportation.
8	8	CDC140_3 Based on your understanding of the CDC guidance, which of the following statements are true? You no longer need to get tested if you have COVID-19 symptoms.
9	9	CDC140_4 Based on your understanding of the CDC guidance, which of the following statements are true? You no longer need to quarantine if exposed to someone with COVID-19.
10	10	CDC140_5 Based on your understanding of the CDC guidance, which of the following statements are true? You no longer need to isolate if you test positive or are sick with COVID-19.
11	11	CDC140_6 Based on your understanding of the CDC guidance, which of the following statements are true? You no longer need to wear a mask in indoor public places if the risk of COVID-19 in your community is medium or low.
12	12	CDC140_7 Based on your understanding of the CDC guidance, which of the following statements are true? Masking is no longer needed in schools where COVID-19 community risk levels are medium or low.
13	13	CDC141 As you may know, the CDC recommends mask wearing when county risk levels are high and dropping masks when they are low. How likely are you to check CDC's website to see your COVID-19 community risk level when making decisions around COVID-19 precautions, like masking?
14	14	CDC142 How much or little do public health policies or guidelines influence your COVID-19 behavior (e.g., indoor masking decisions, skipping risky COVID-19 situations)?
15	15	CDC143 Which of the following best describes your approach to wearing masks indoors?
16	16	CDC144 Which of the following influences you in deciding to wear a mask indoors in public? Please select all that apply.
17	17	CDC145 What do you see as the reason(s) why CDC has now changed its position on COVID-19 risk and masking guidance? Please select all that apply.
18	18	CDC146 How much do you agree or disagree with the following statements? Summary Of Strongly/Somewhat Agree
19	19	CDC146 How much do you agree or disagree with the following statements? Summary Of Strongly/Somewhat Disagree
20	20	CDC146_1 How much do you agree or disagree with the following statements? I support rolling back mask requirements because it's time we stop letting COVID-19 interfere with our lives.
21	21	CDC146_2 How much do you agree or disagree with the following statements? I support rolling back mask requirements because the risk of severe disease from COVID-19 is lower now.
22	22	CDC146_3 How much do you agree or disagree with the following statements? I support ending school mask requirements, even if many children are still not vaccinated.
23	23	CDC146_4 How much do you agree or disagree with the following statements? The ending of school mask requirements suggests that COVID-19 is no longer a serious threat to children.
24	24	CDC146_5 How much do you agree or disagree with the following statements? CDC's new guidance doesn't do enough to protect those who need it most, including our oldest and youngest, and those who have compromised immune systems.
25	25	CDC146_6 How much do you agree or disagree with the following statements? I am concerned the guidance doesn't go far enough to protect me or my loved ones.
26	26	CDC146_7 How much do you agree or disagree with the following statements? It's reassuring to know I can let my guard down when it comes to getting COVID-19.
27	27	CDC146_8 How much do you agree or disagree with the following statements? I plan to follow CDC's guidance and will start masking or taking other precautions again if my community risk level changes to "high" (as recommended by CDC).
